

Contract Plan - Ground Level

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

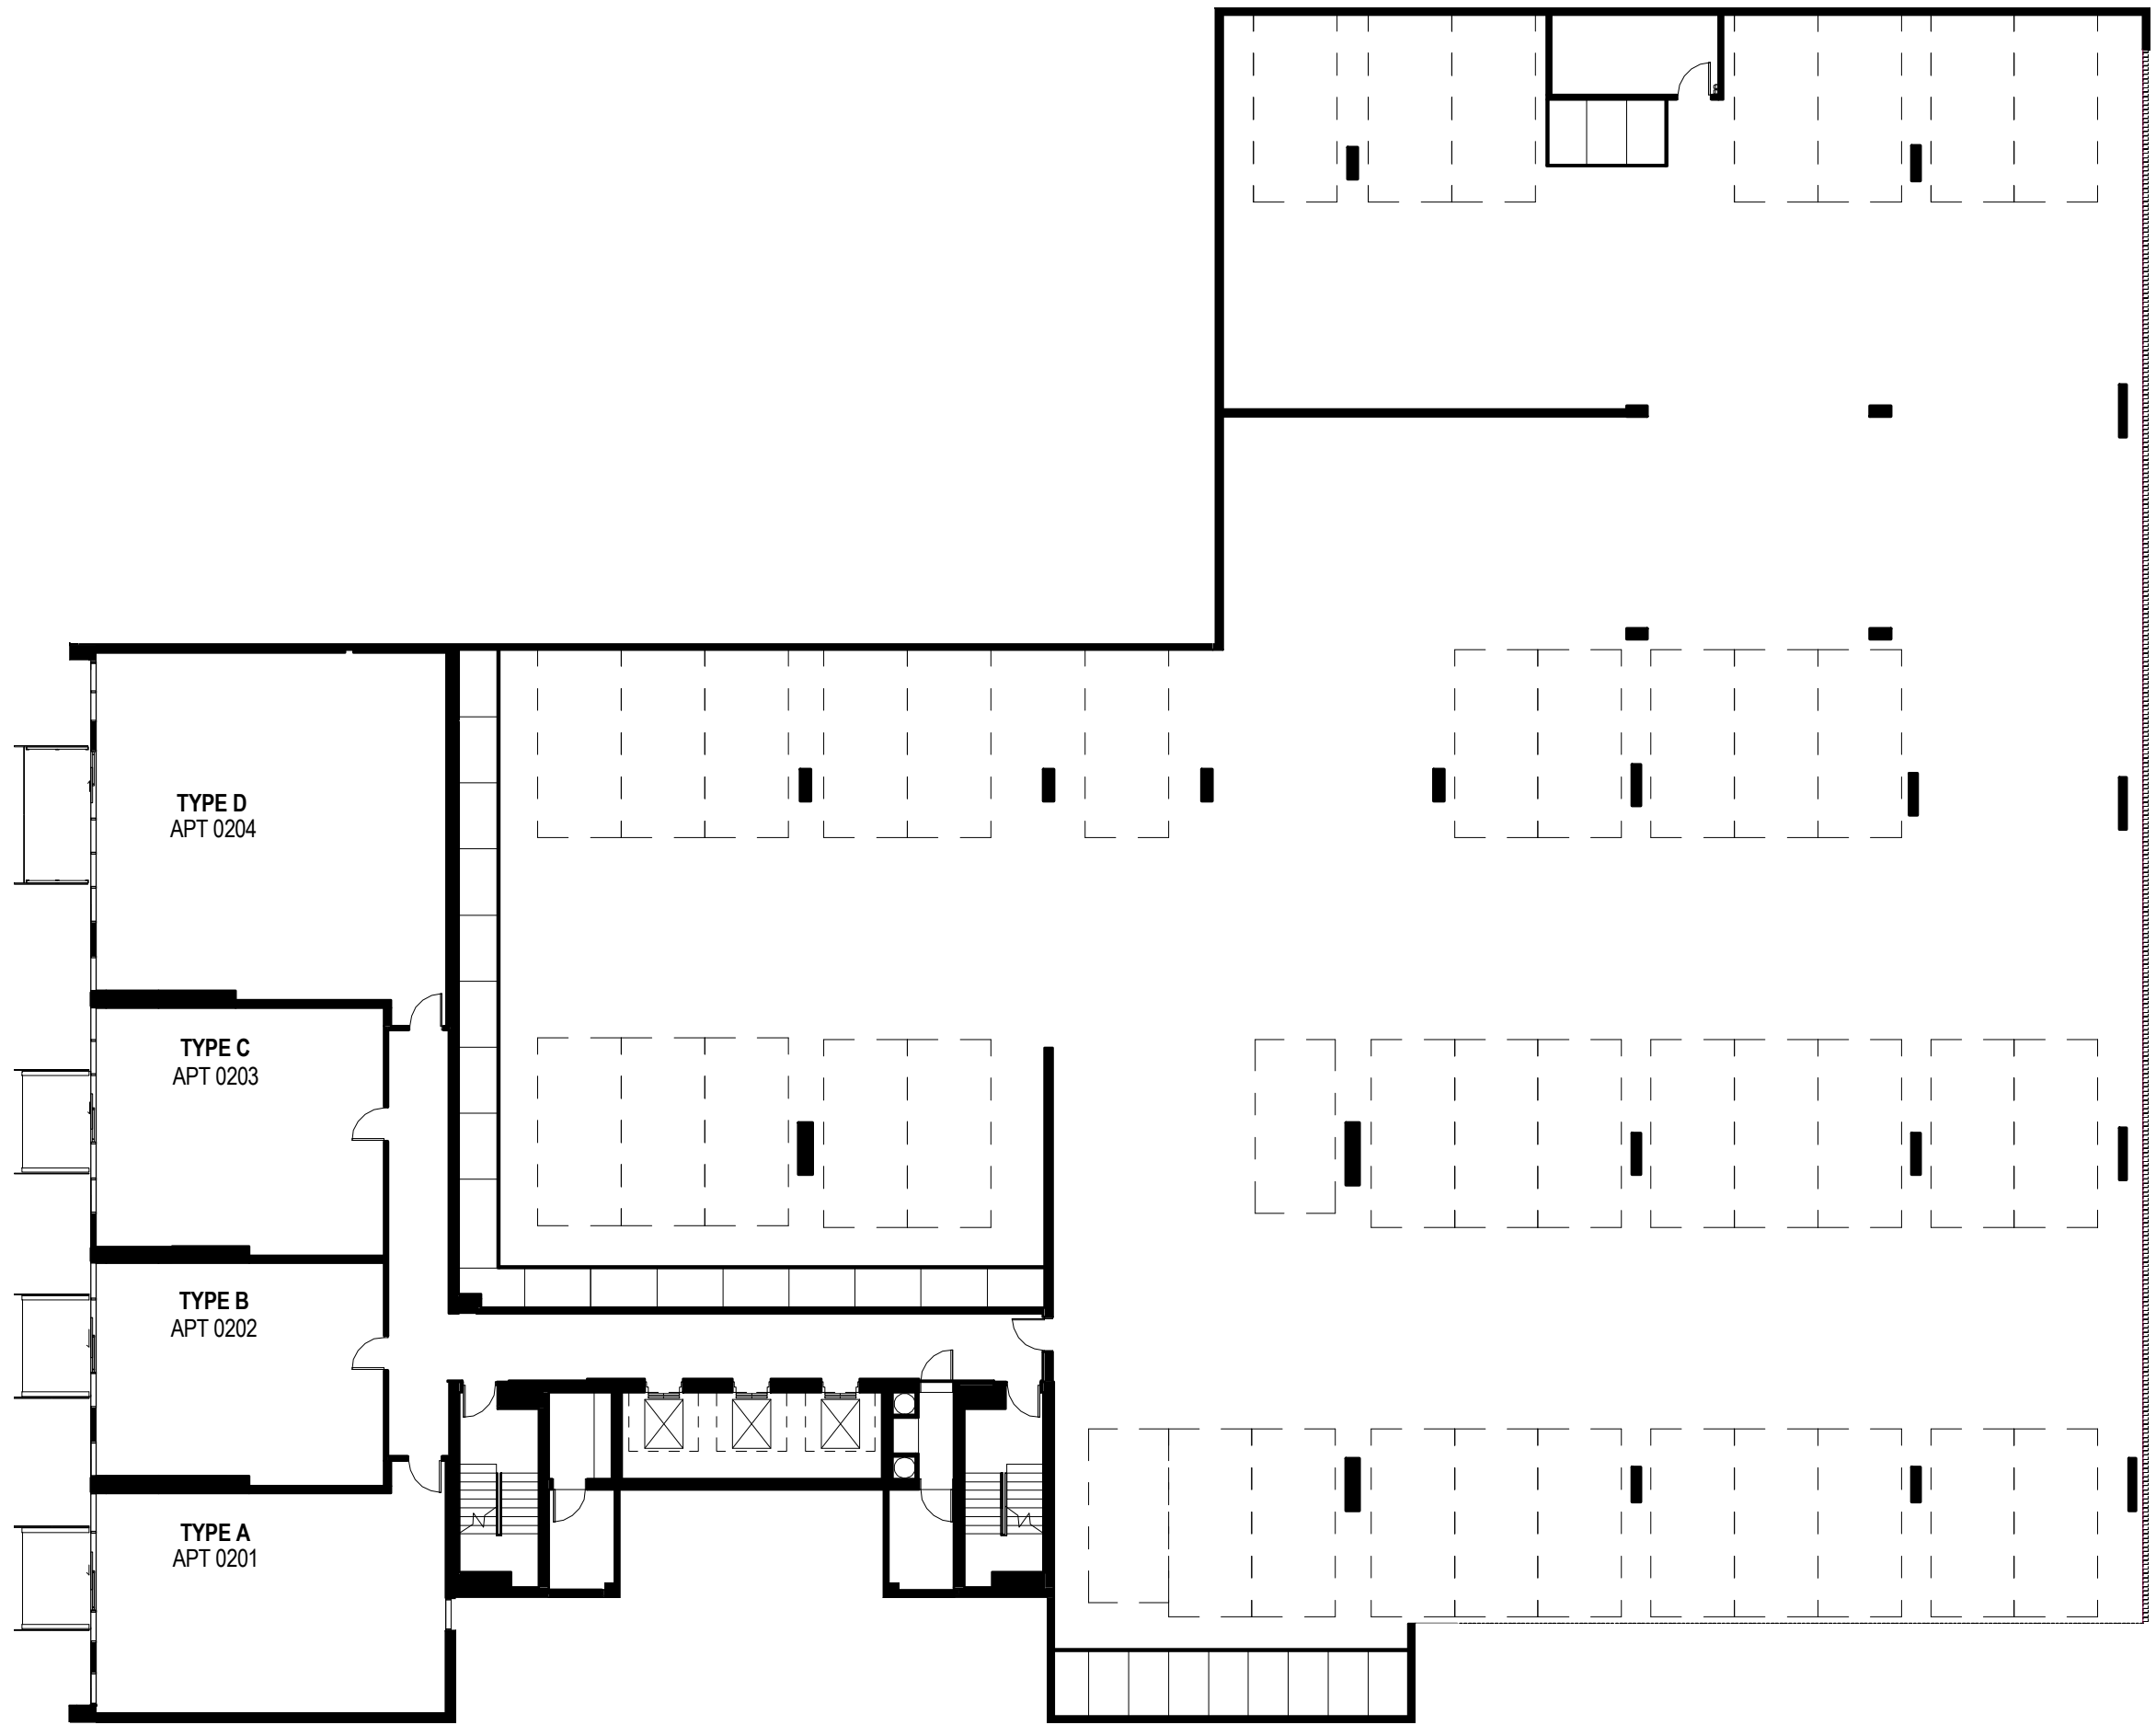

Contract Plan - Level 01

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

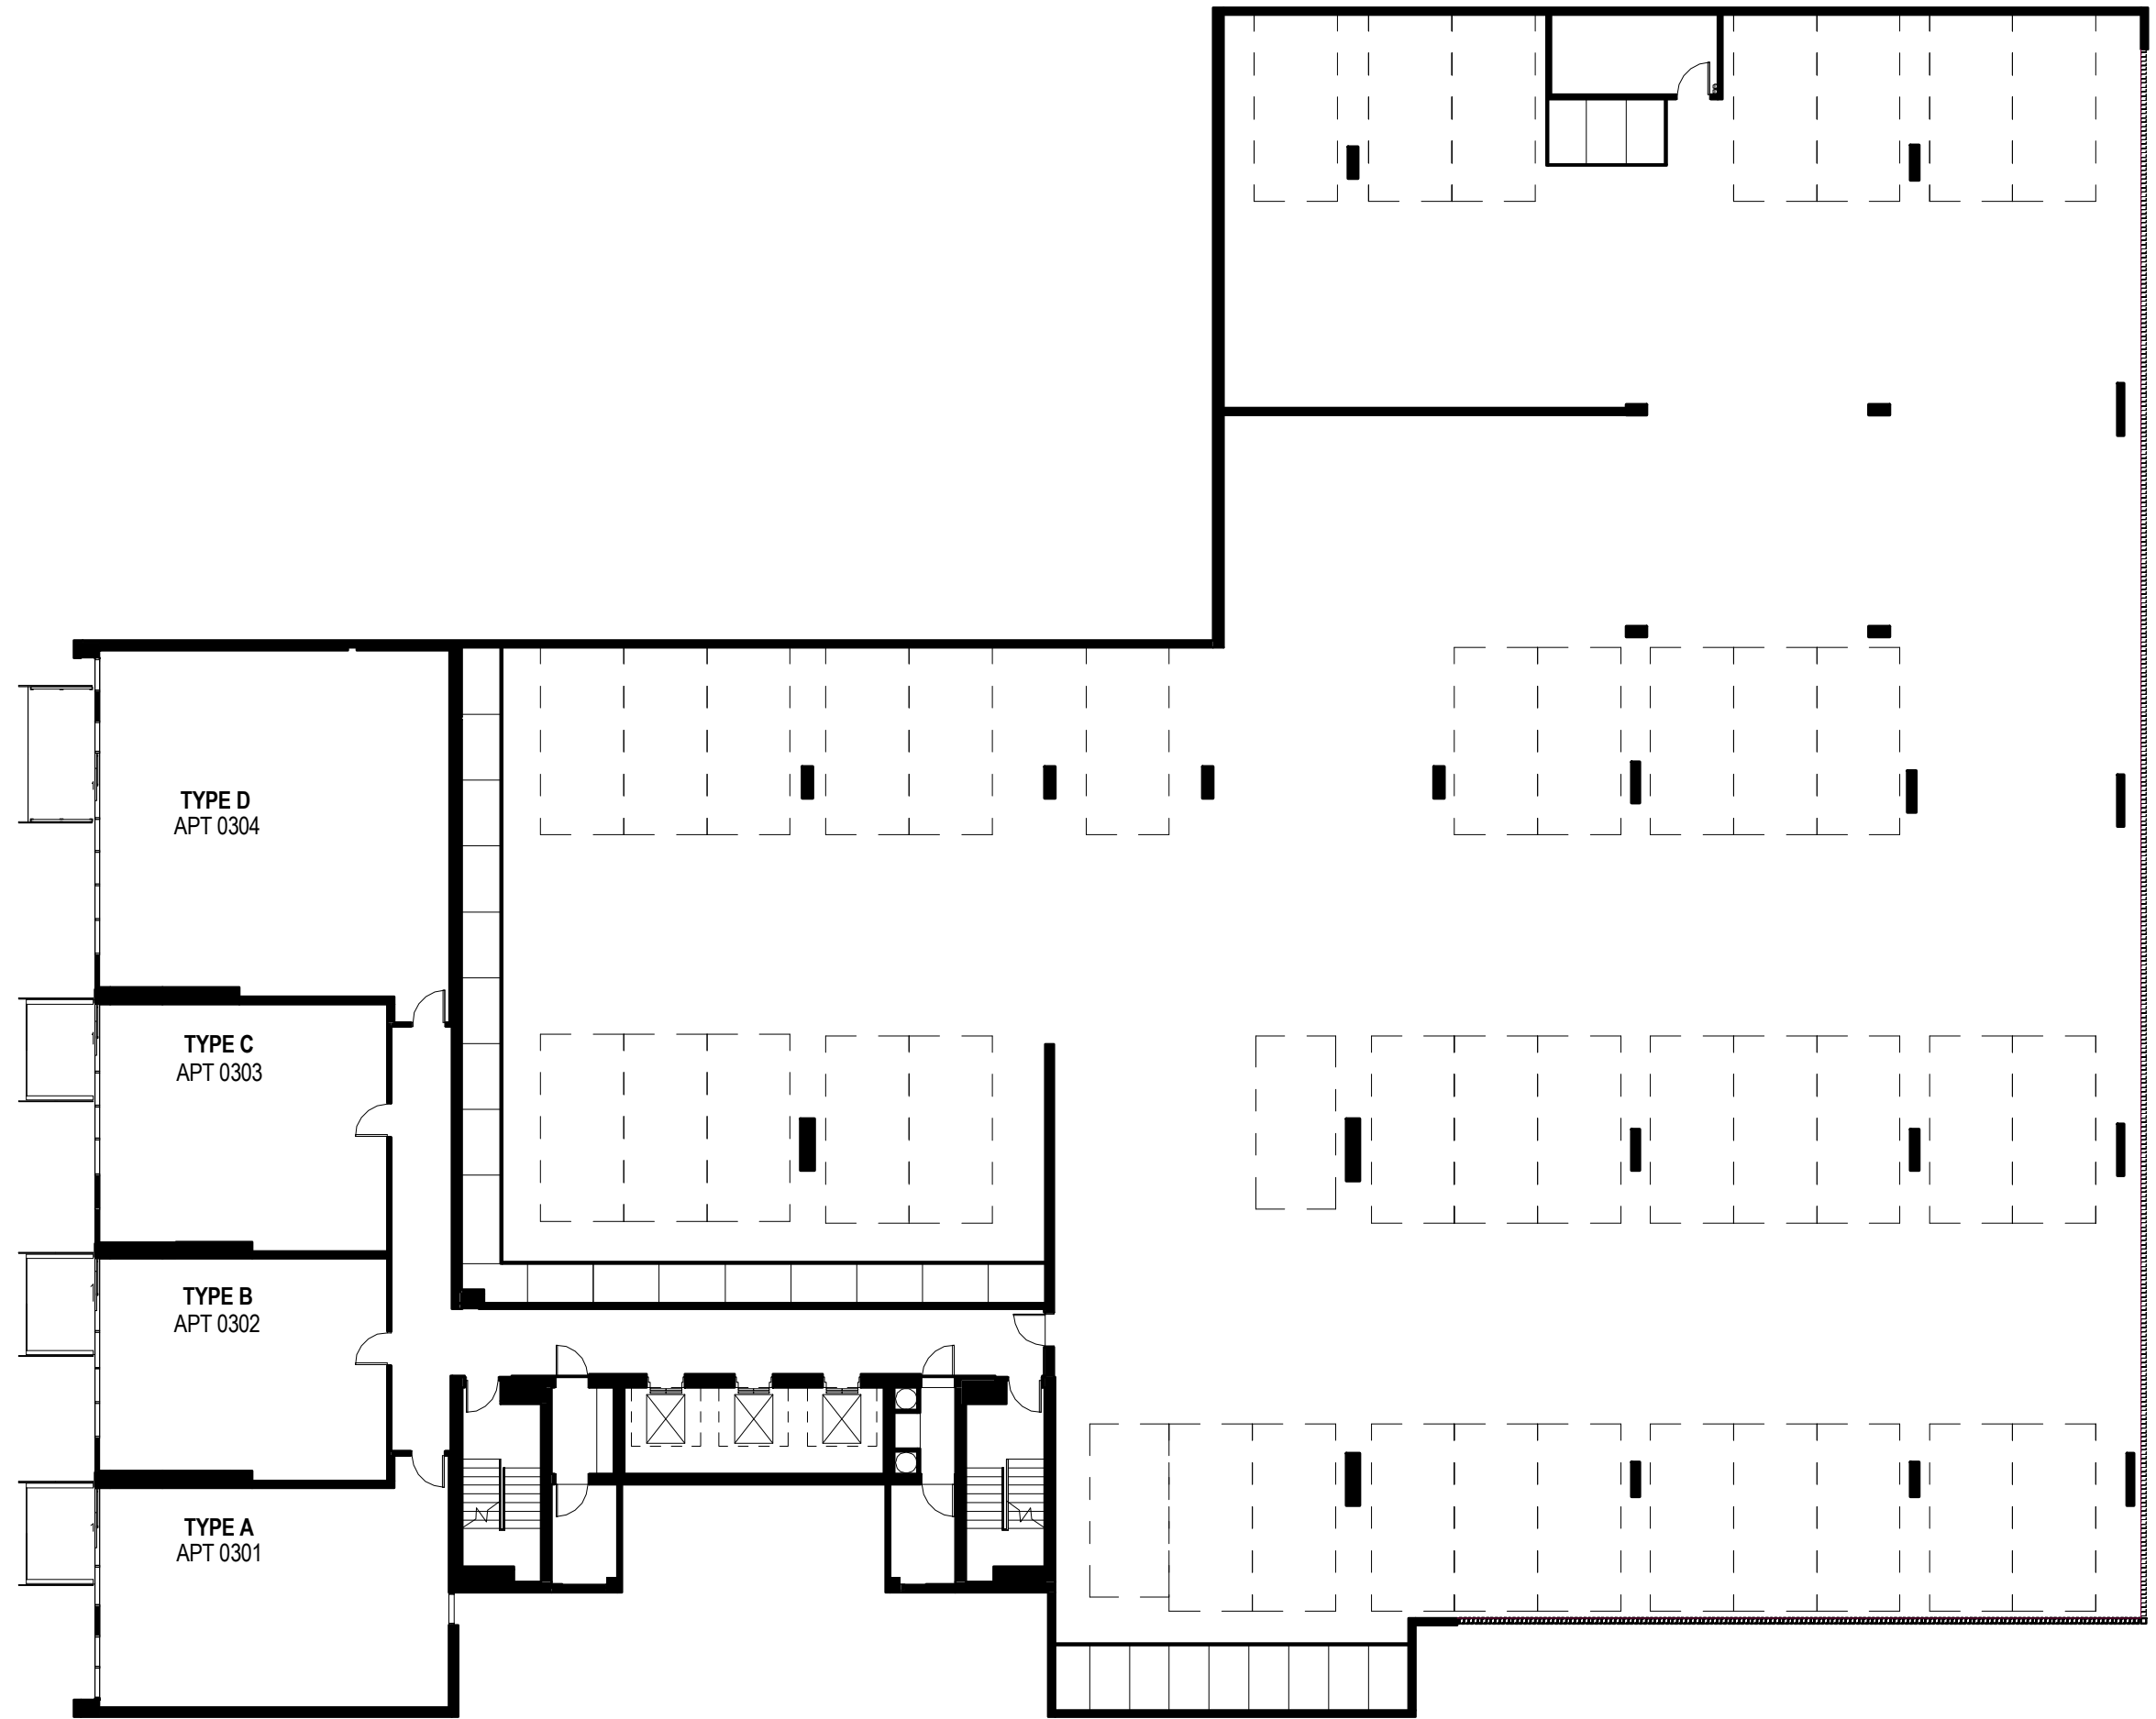

Contract Plan - Level 02

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

Contract Plan - Level 03

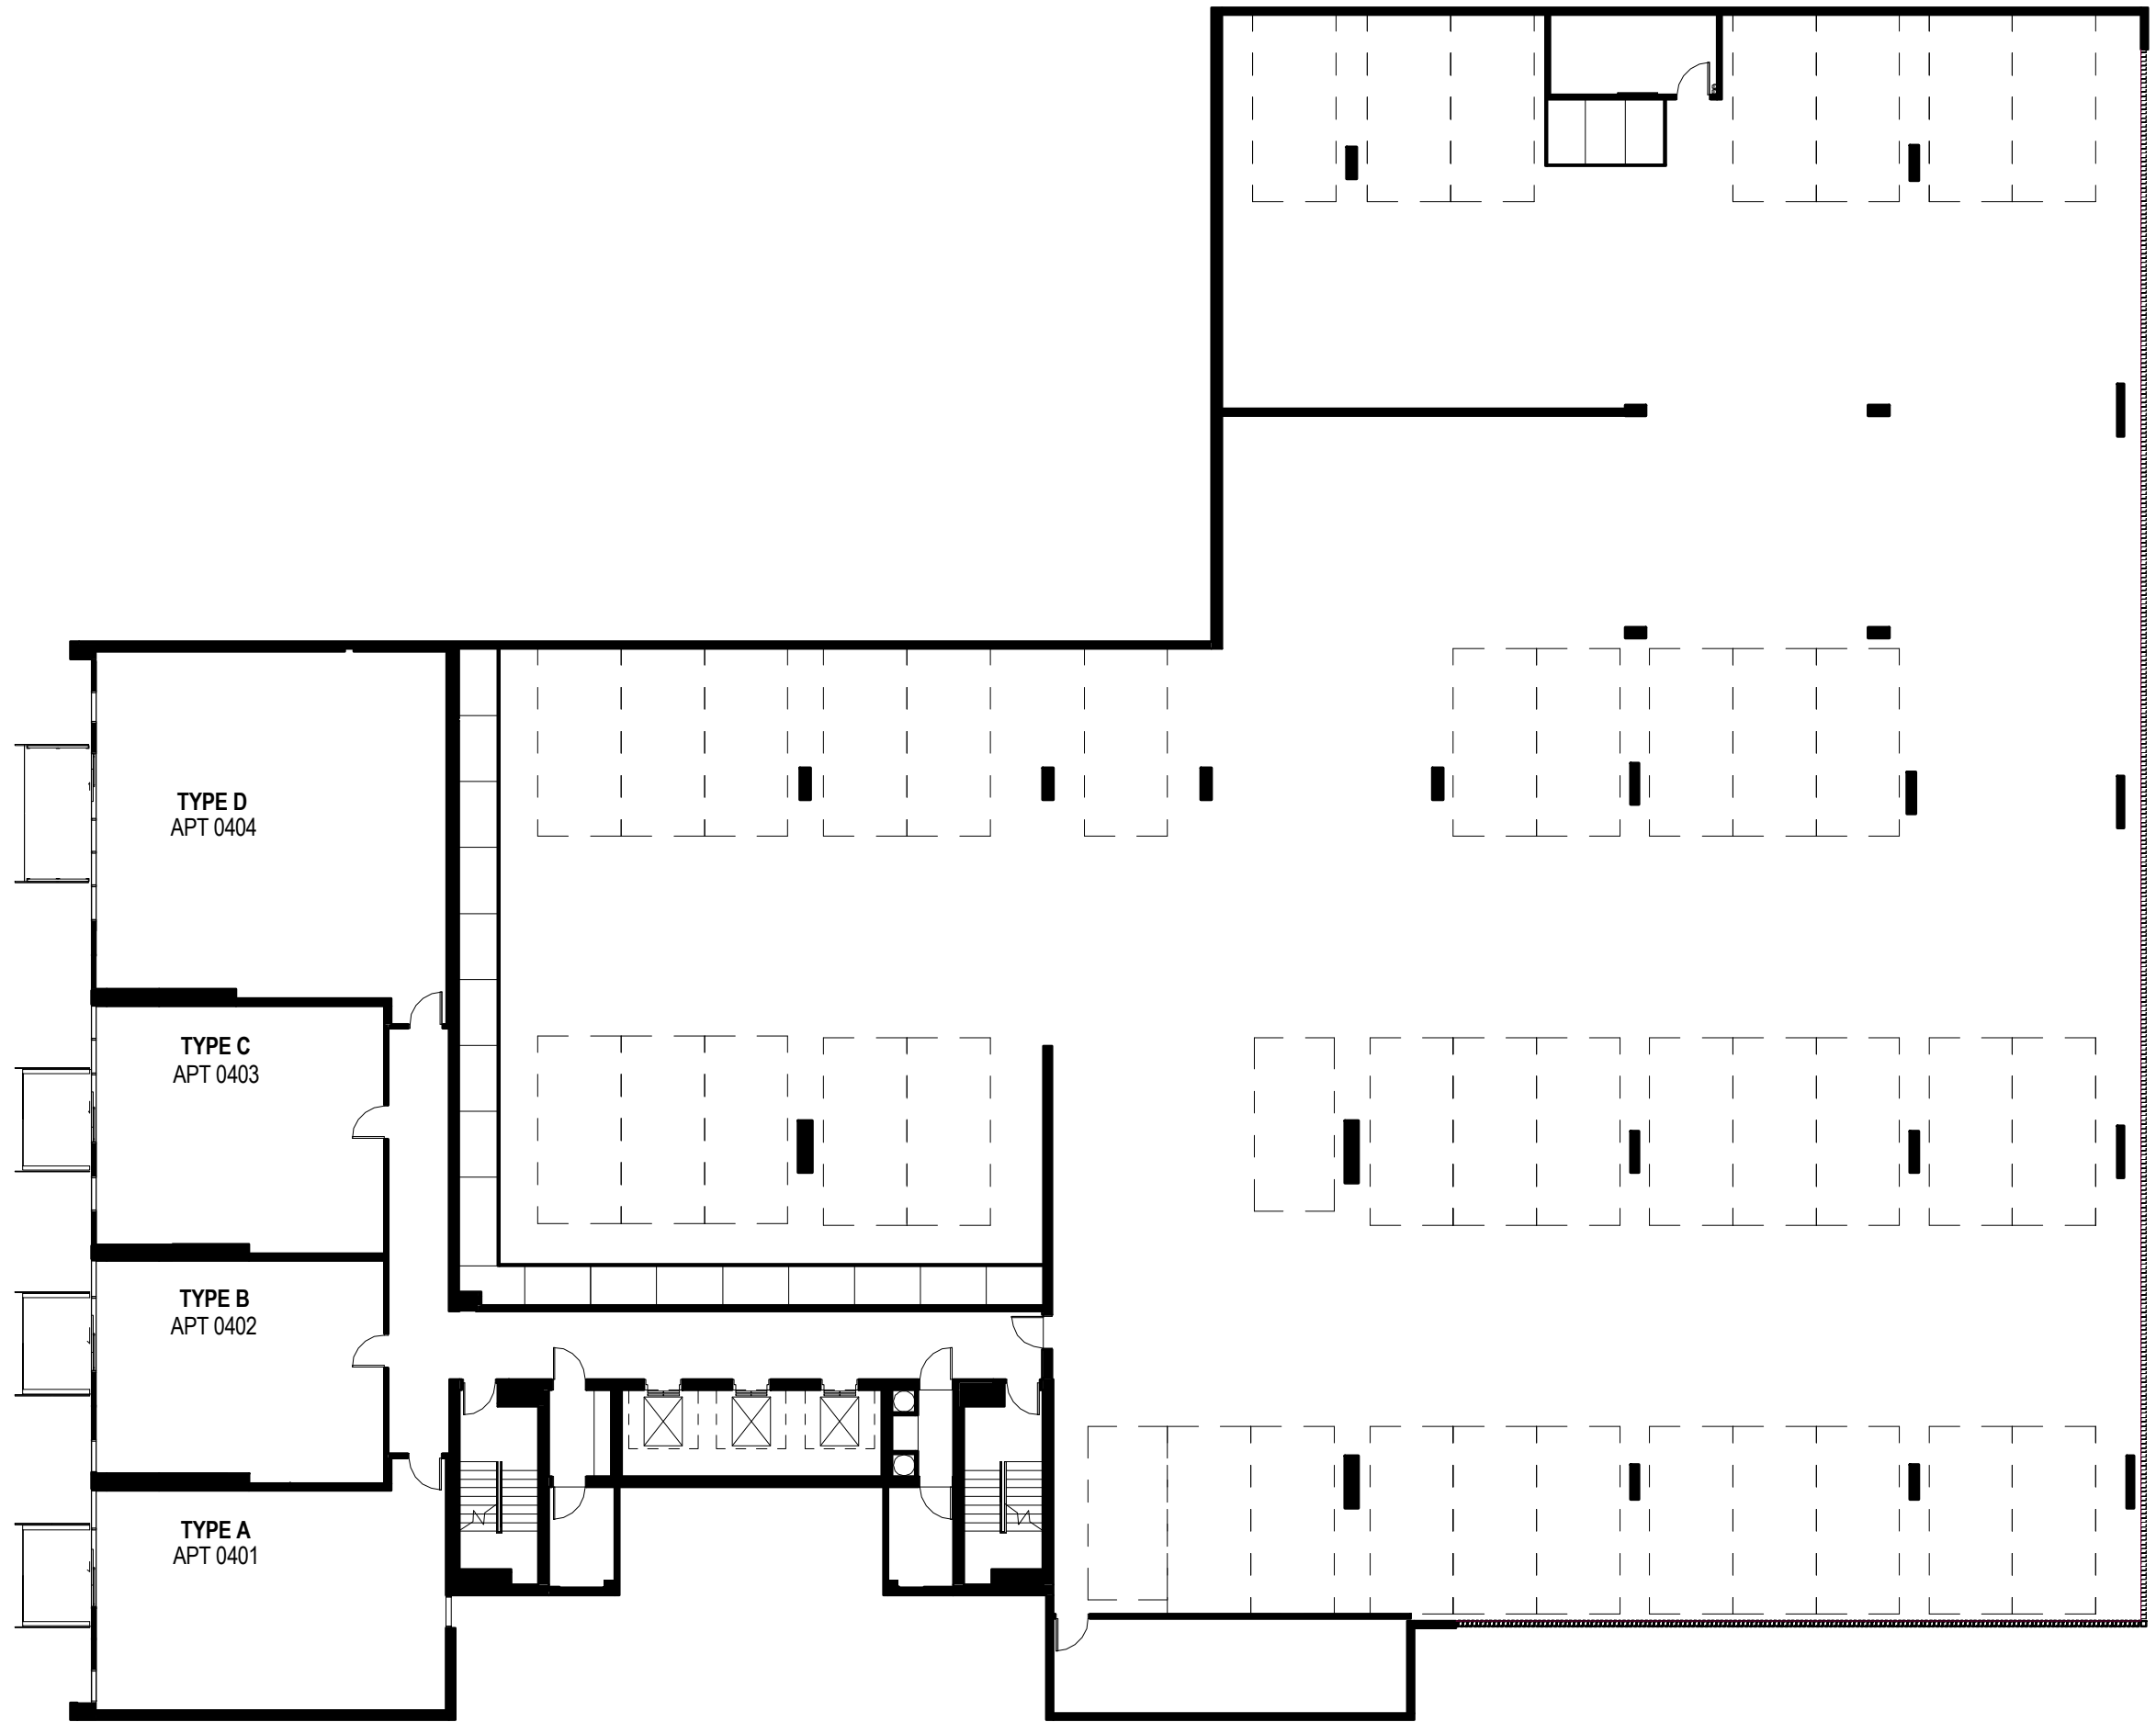

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

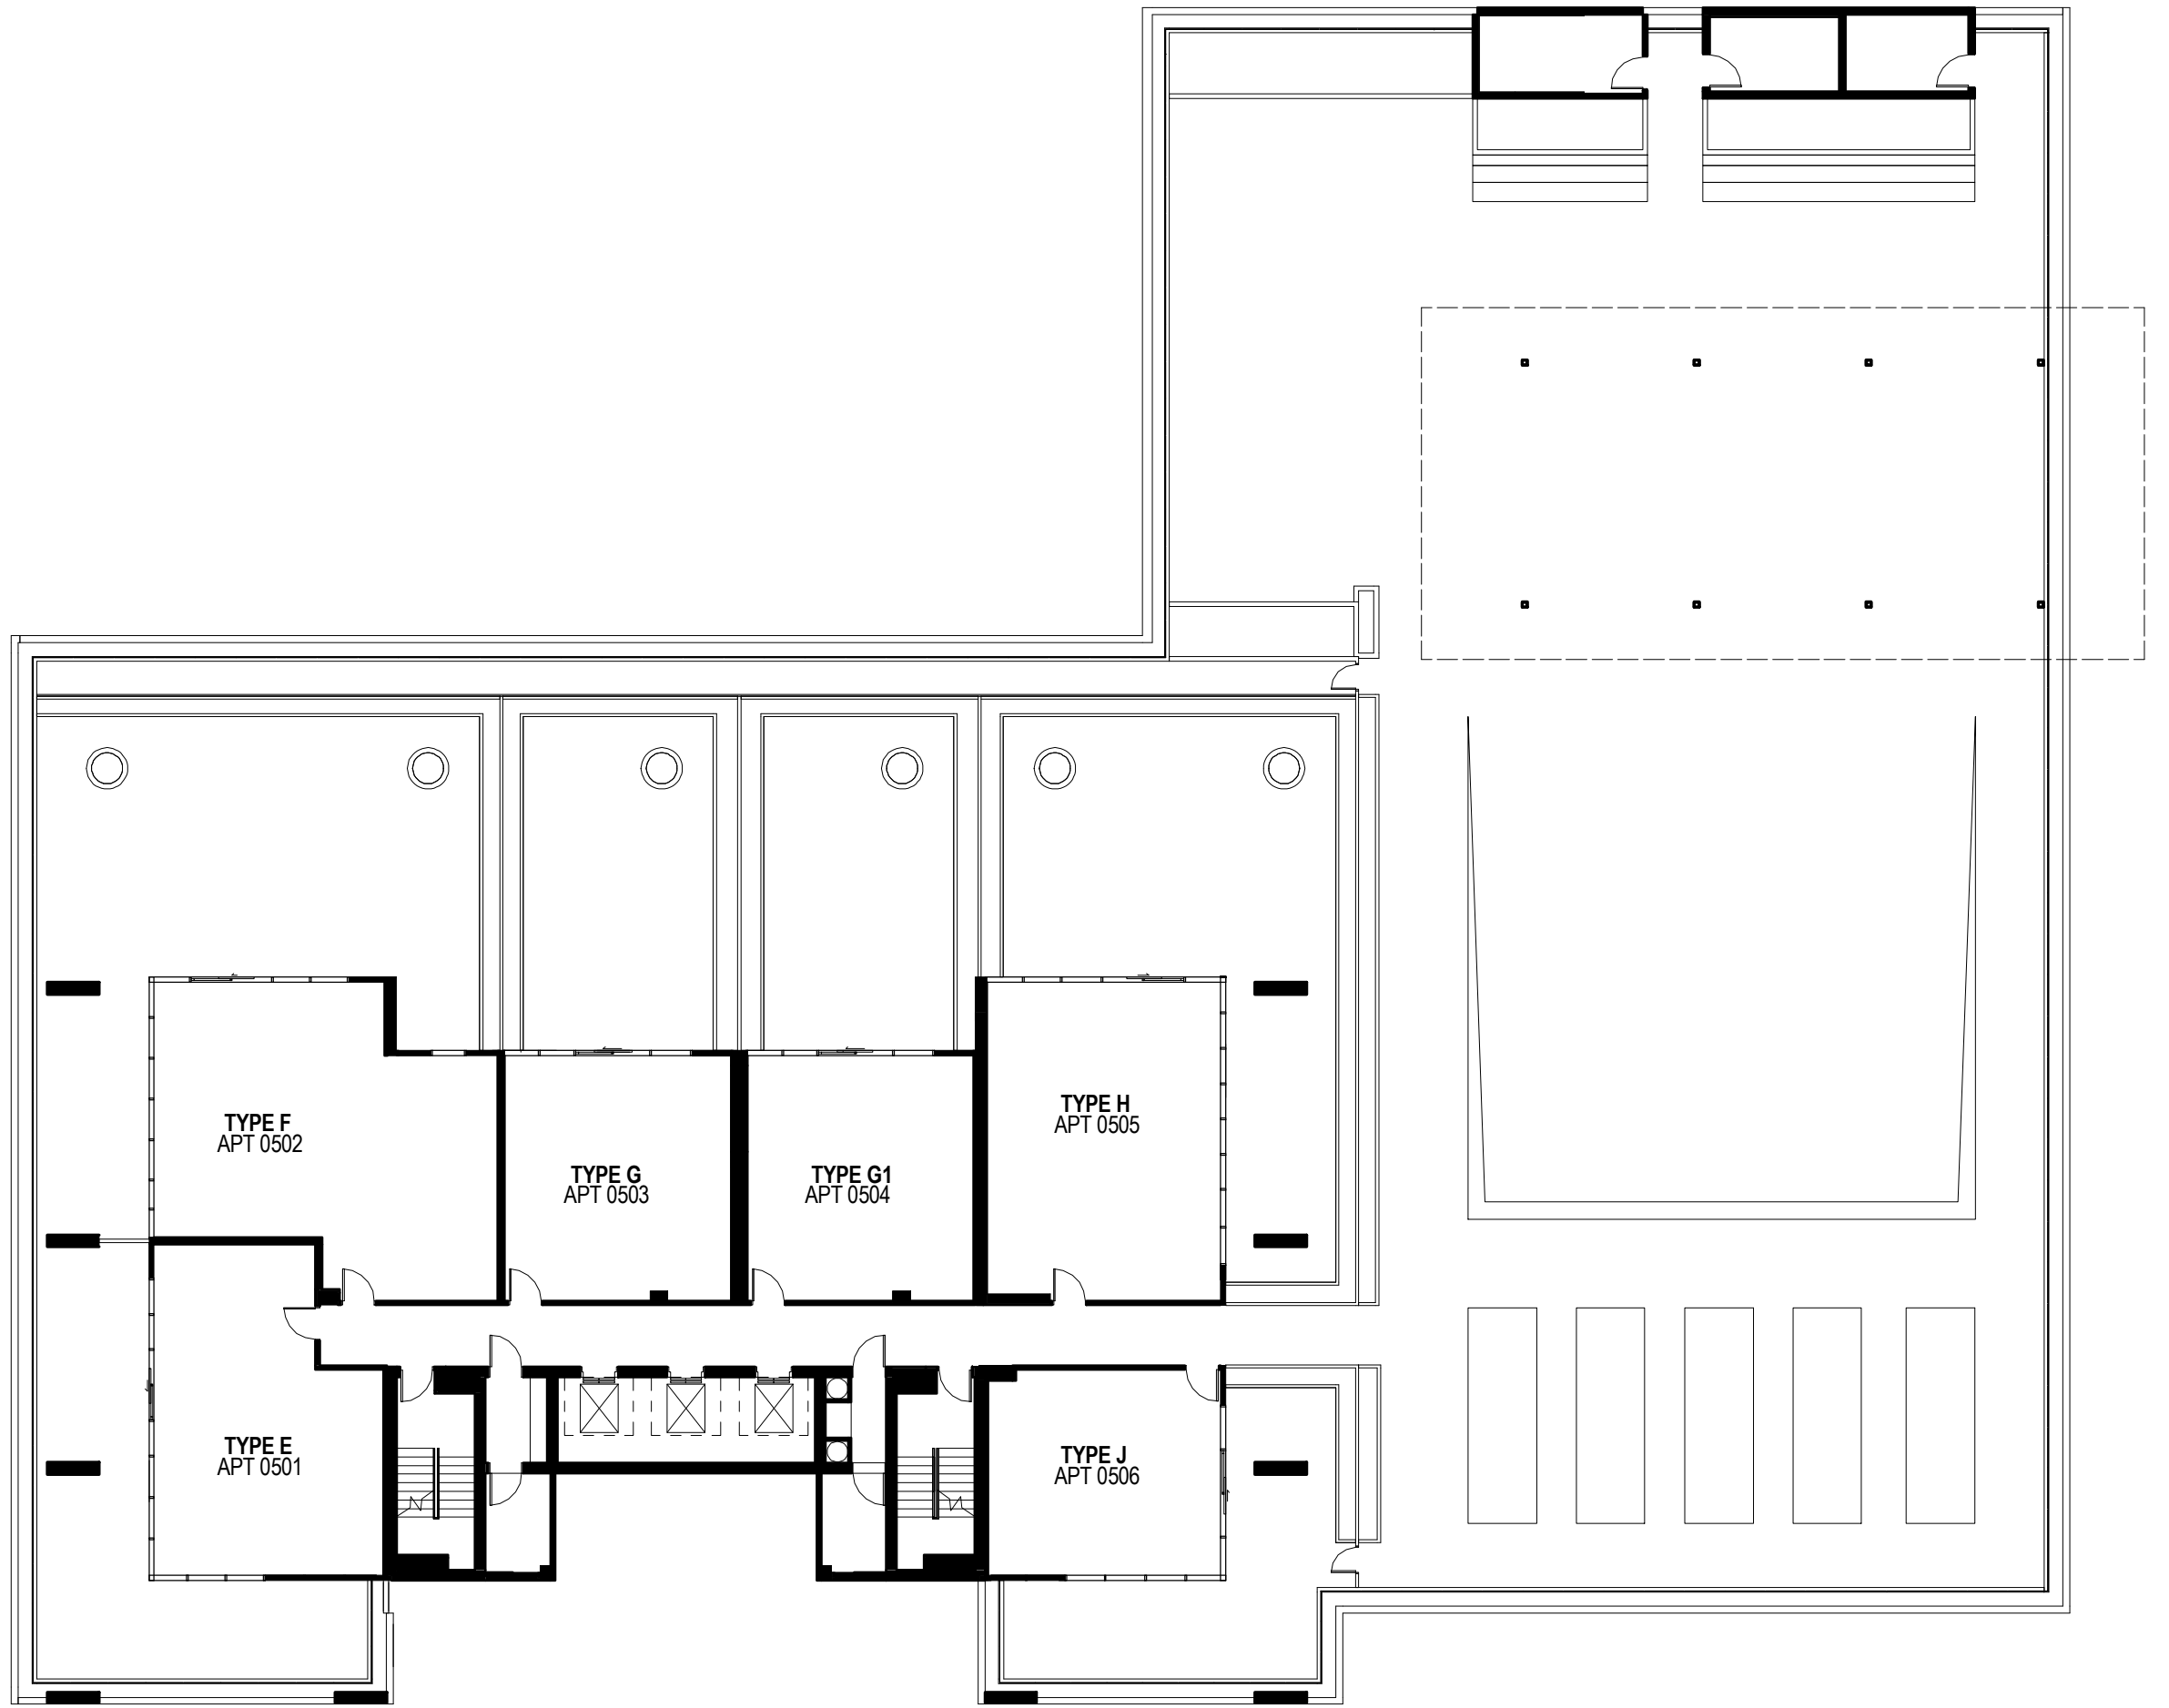

Contract Plan - Level 04

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

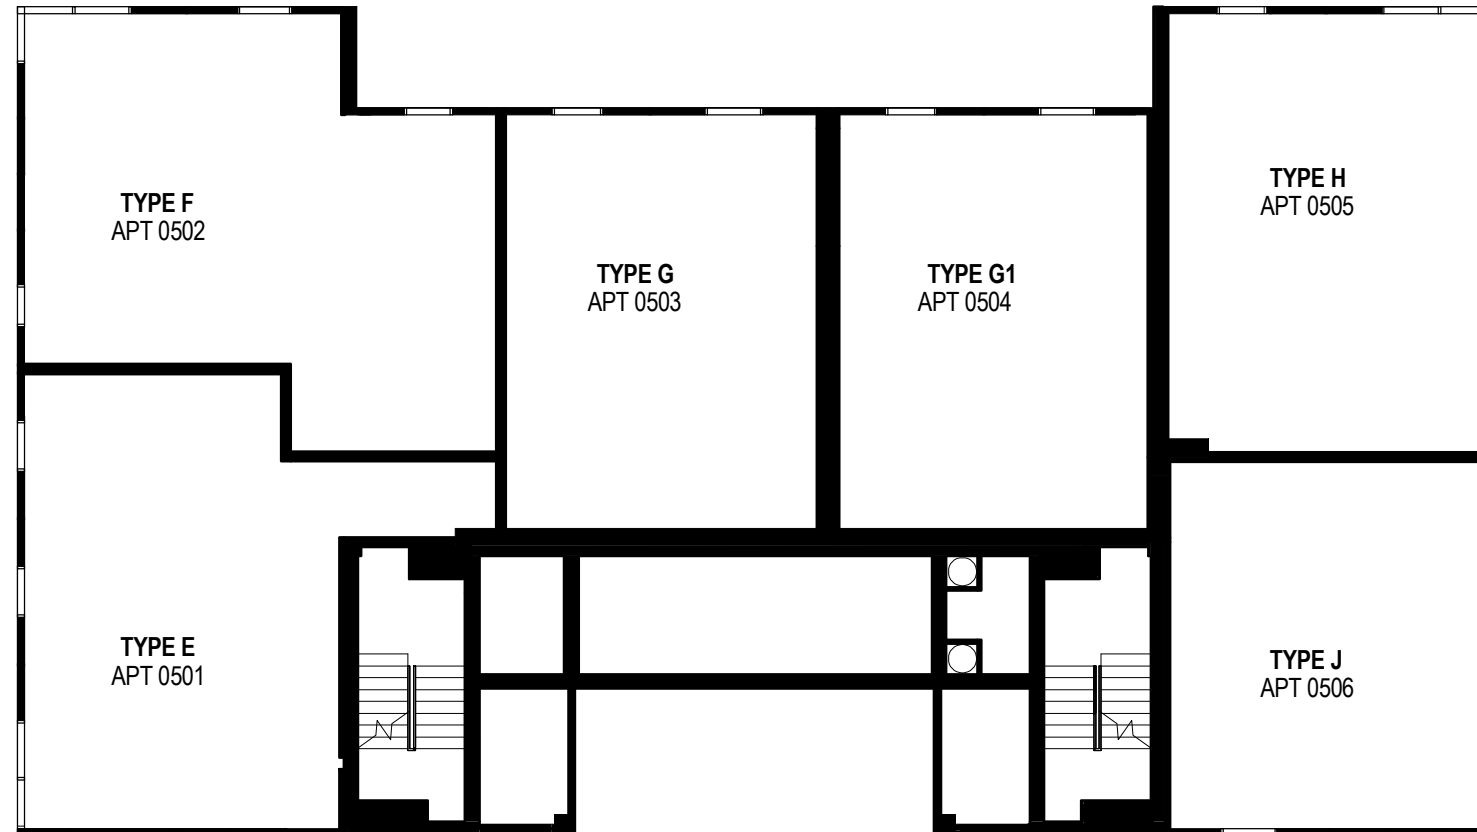

Contract Plan - Level 05

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

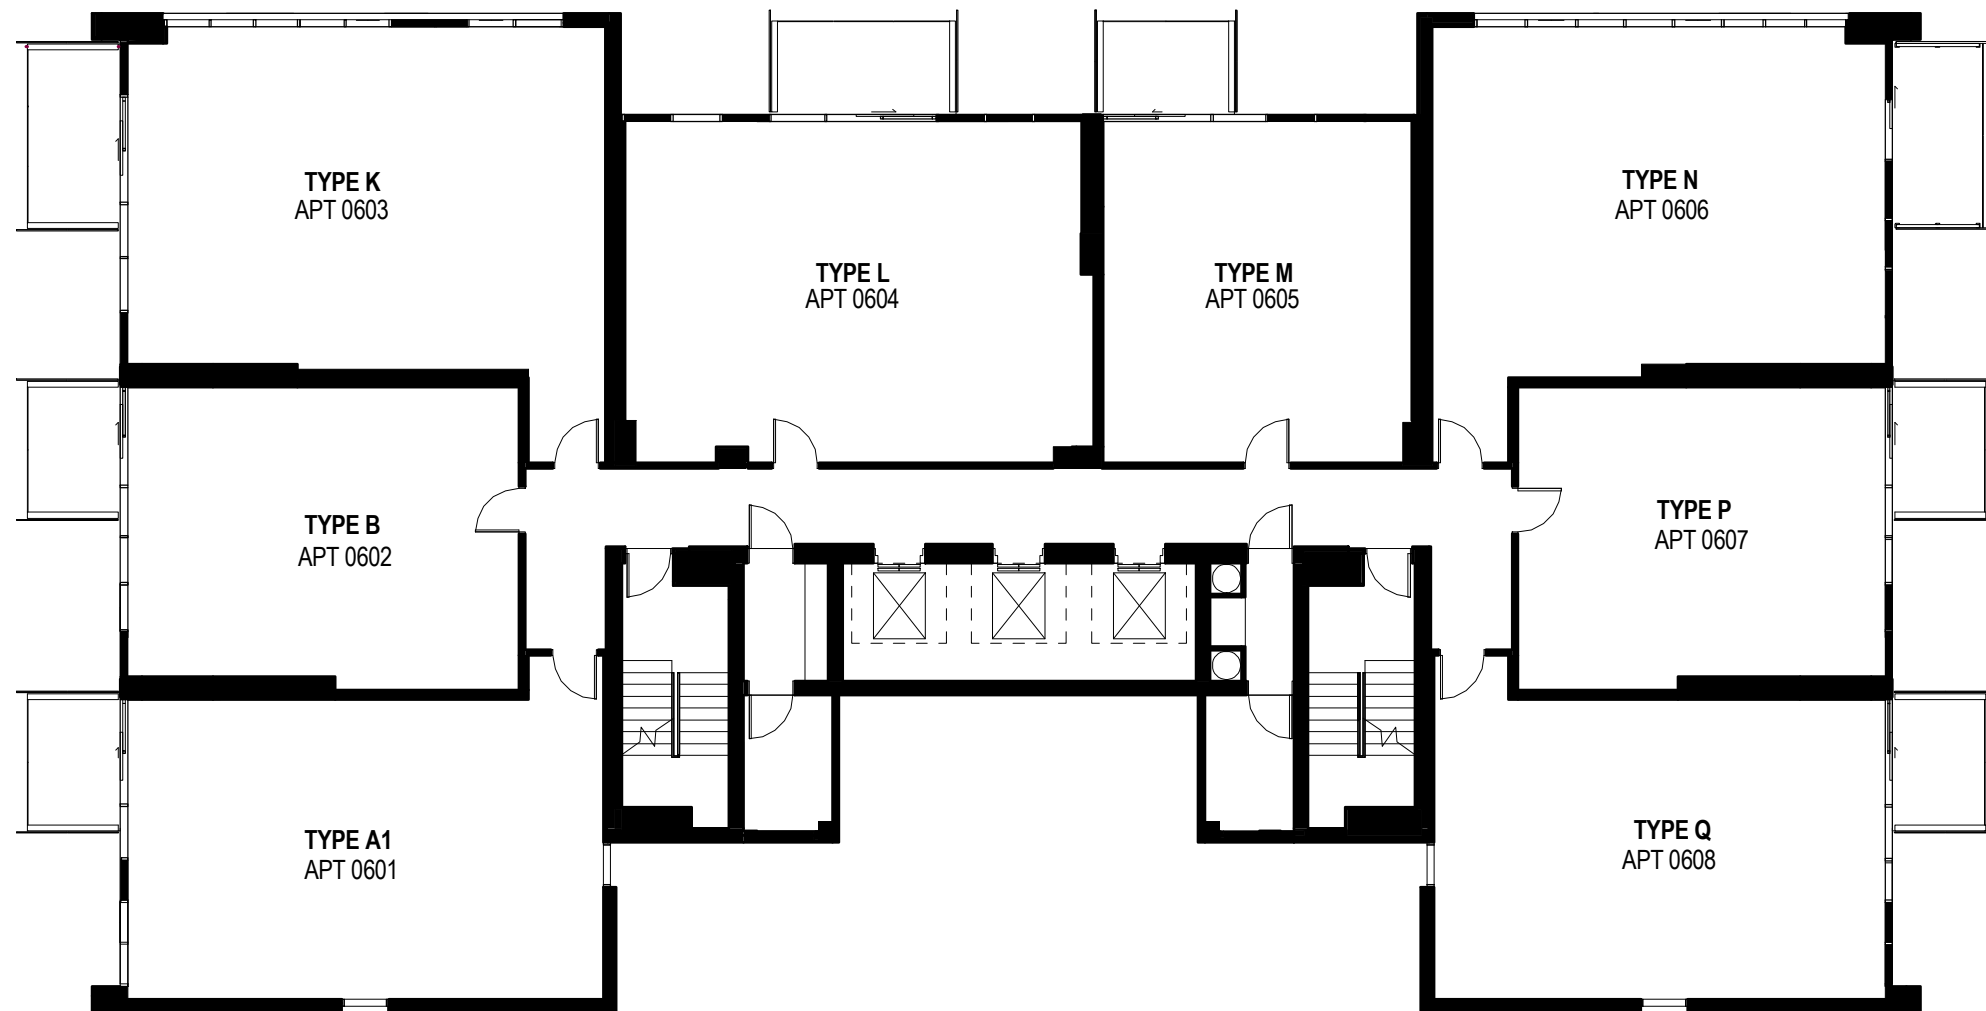

Contract Plan - Level M5

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

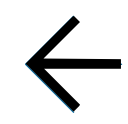

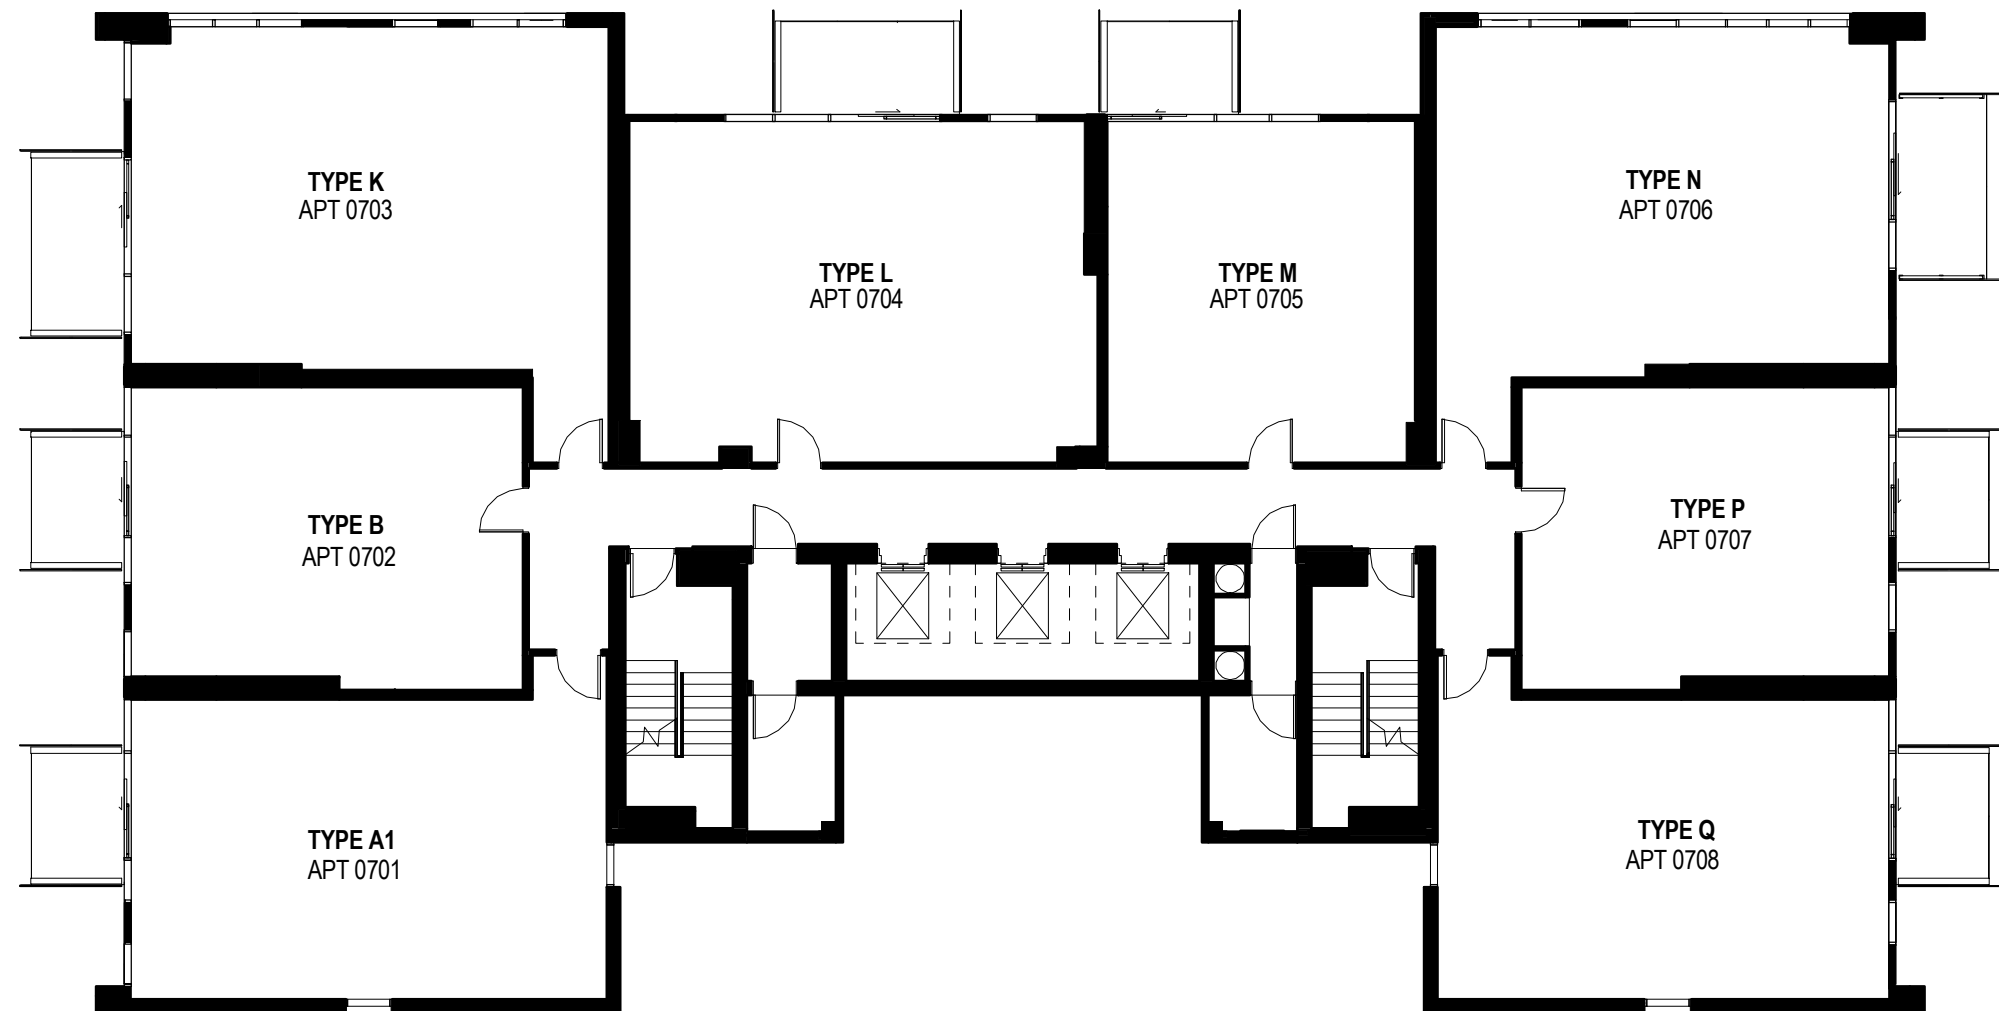

Contract Plan - Level 06

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

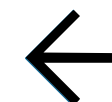

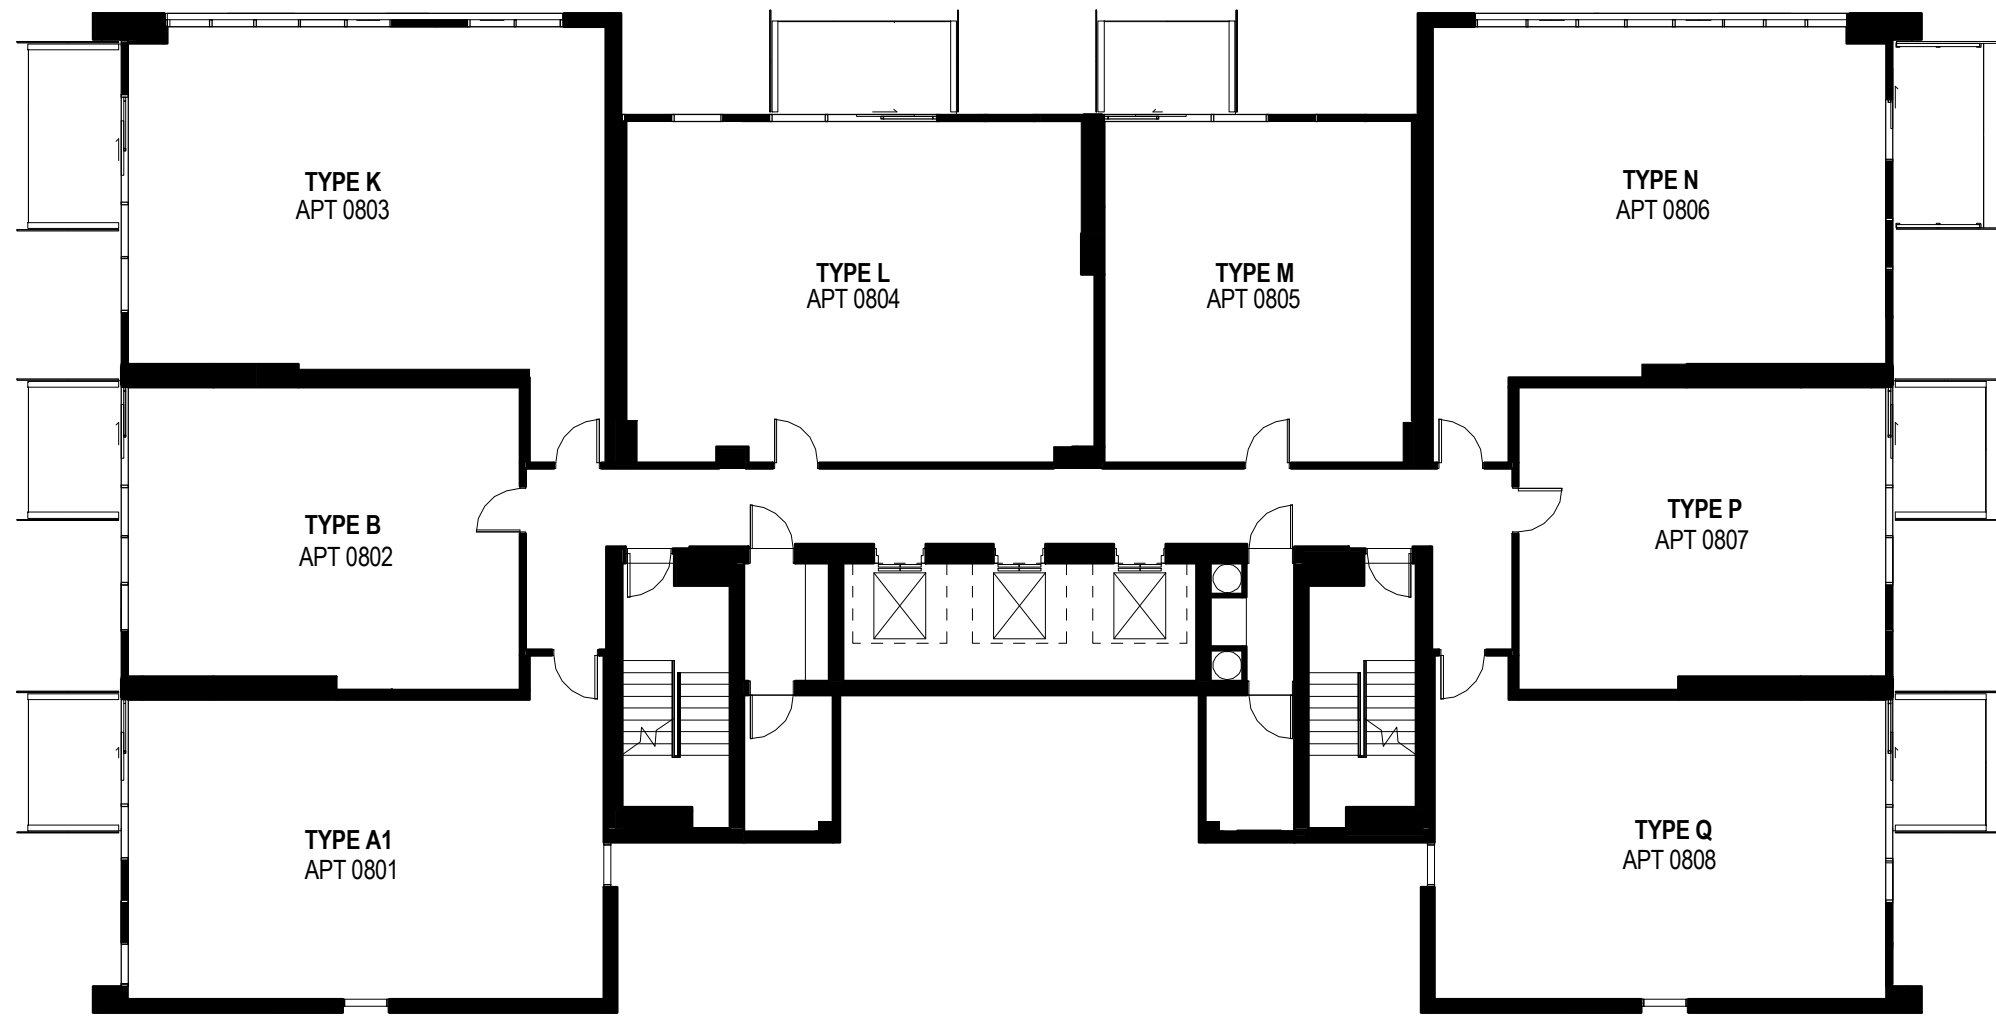

Contract Plan - Level 07

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

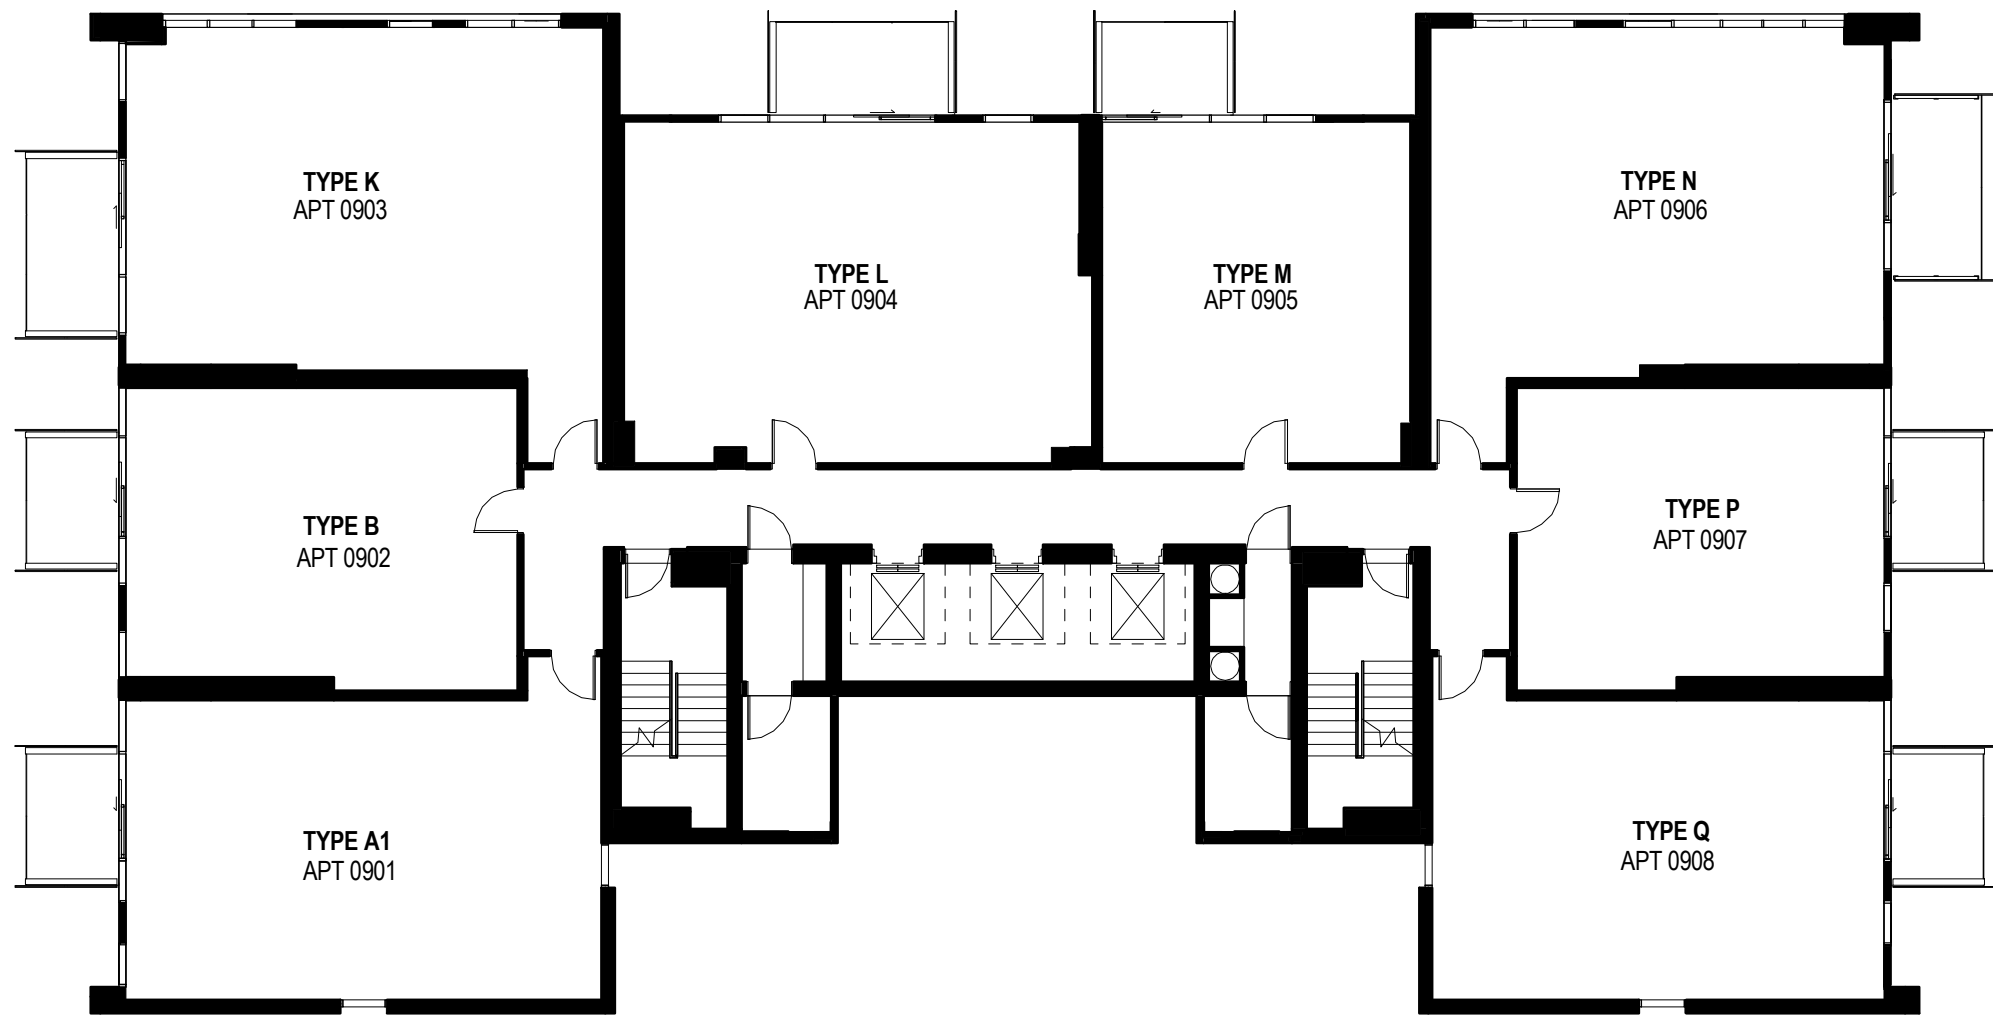

Contract Plan - Level 08

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

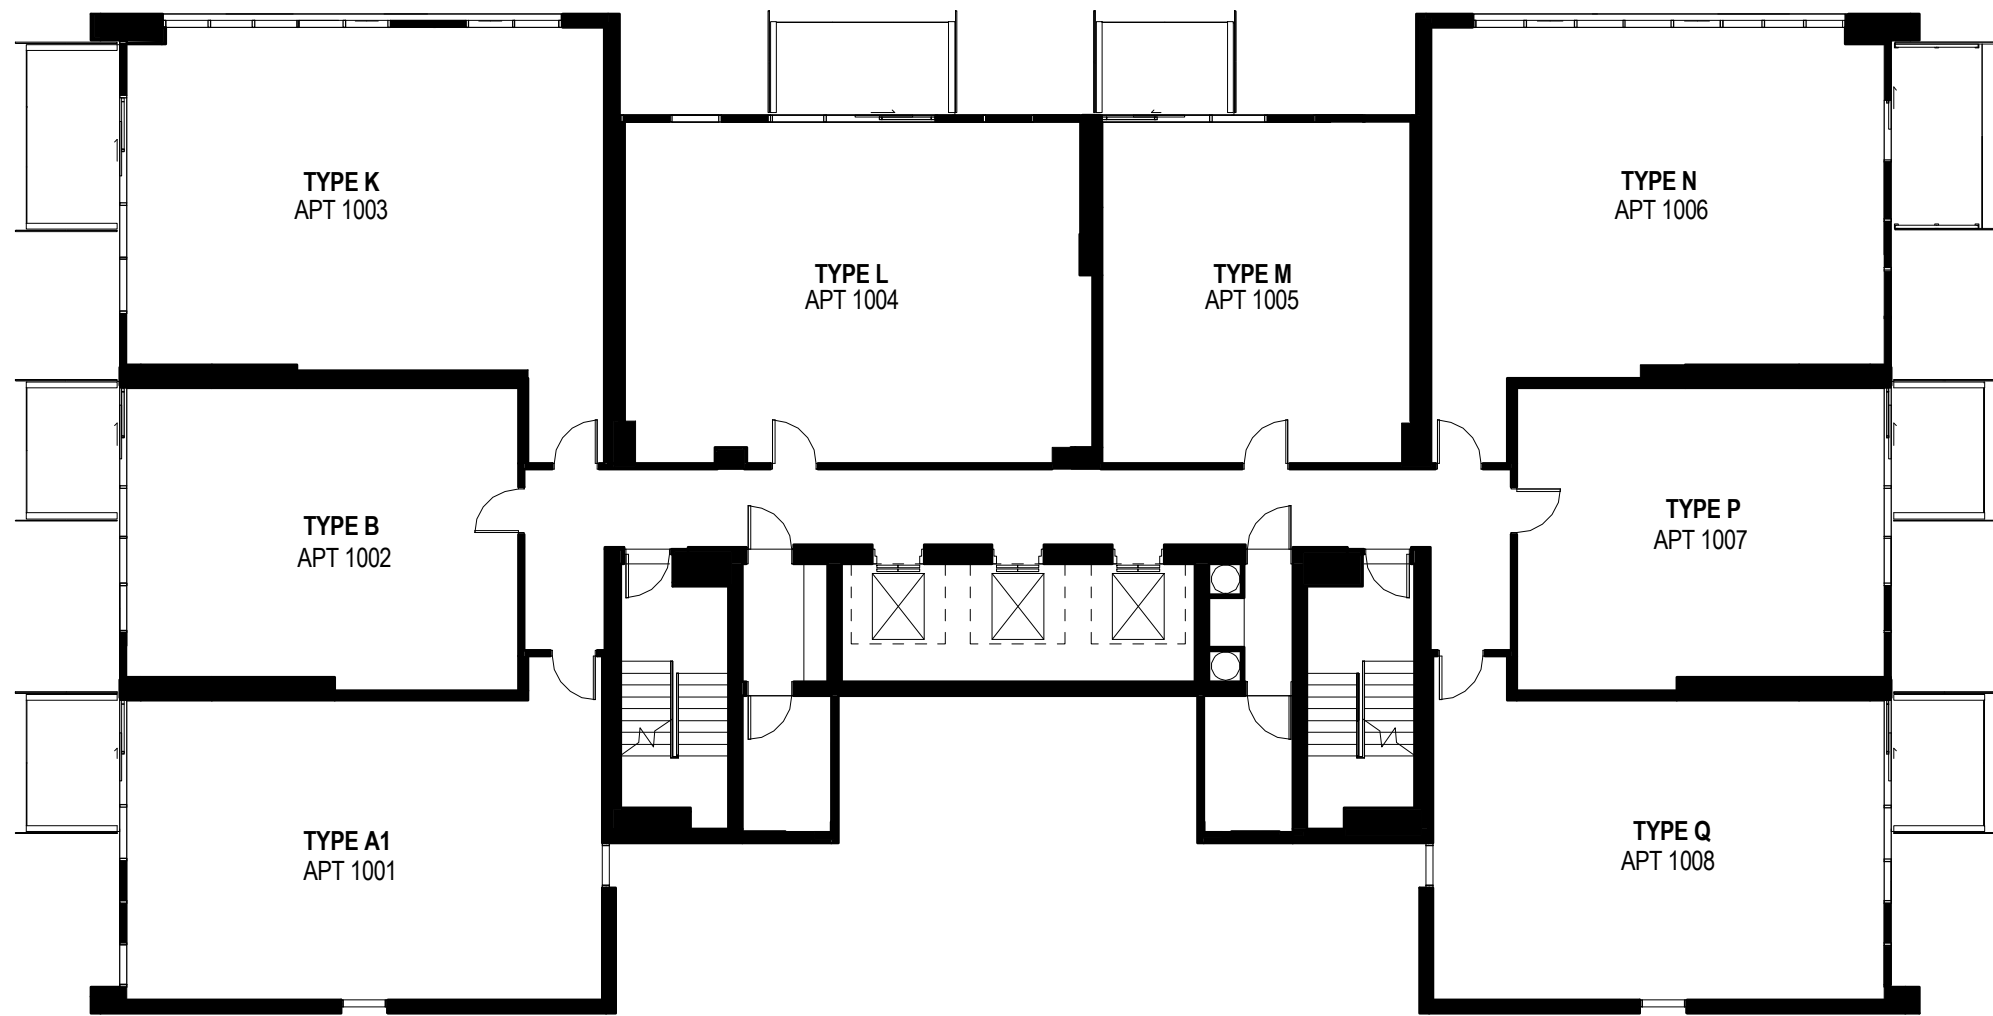

Contract Plan - Level 09

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

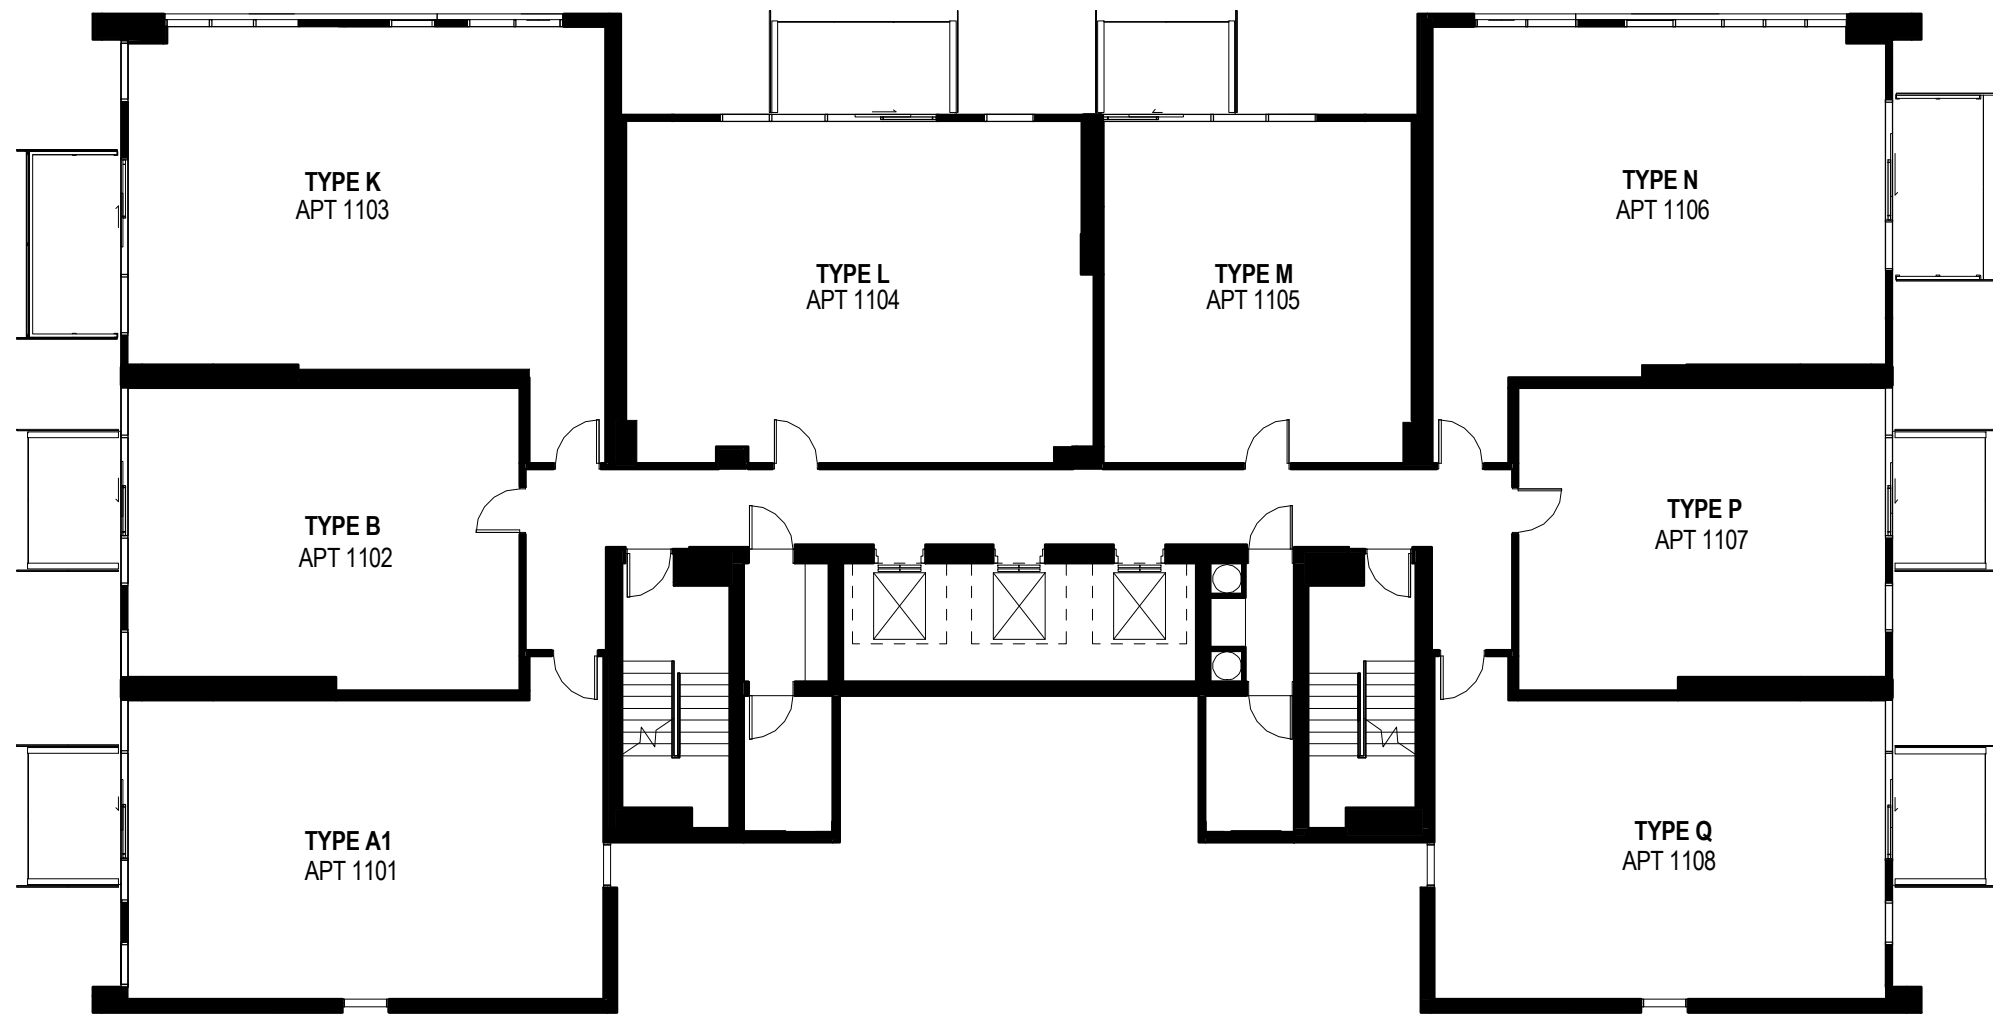

Contract Plan - Level 10

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

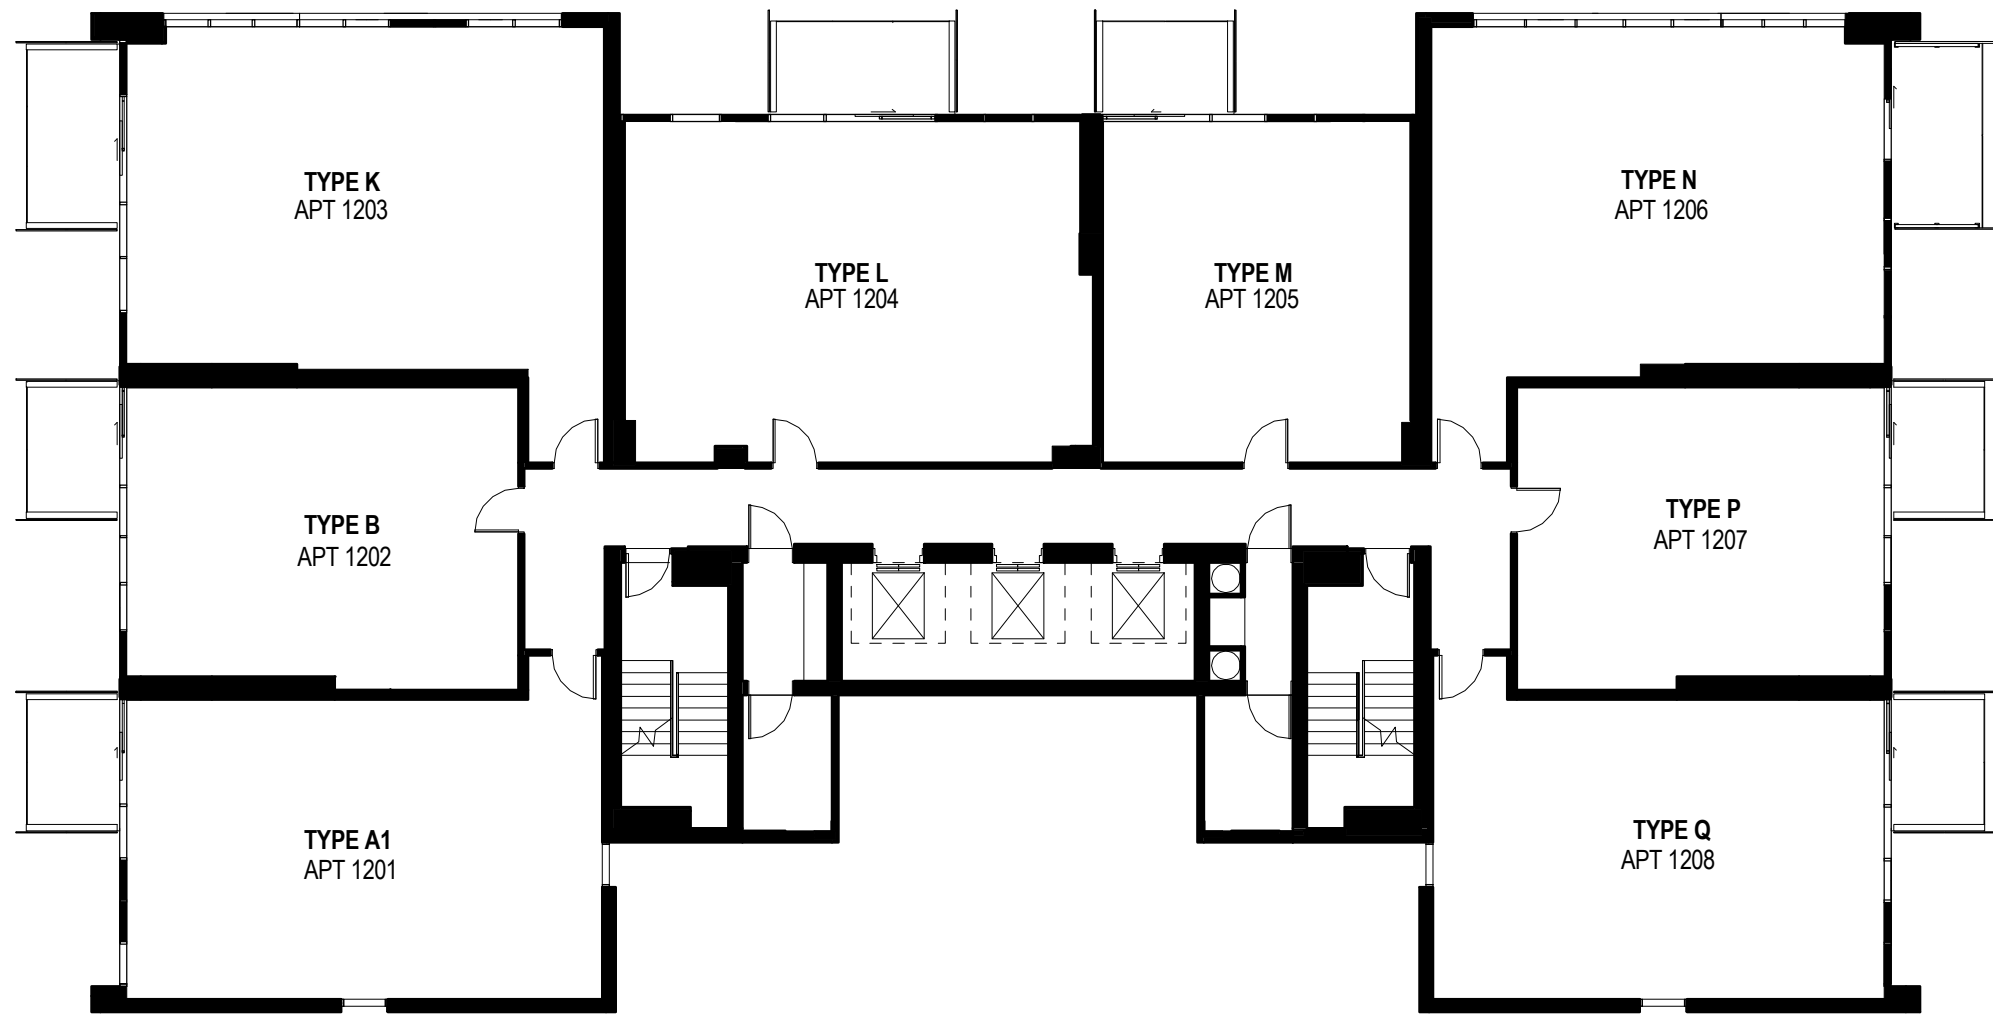

Contract Plan - Level 11

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

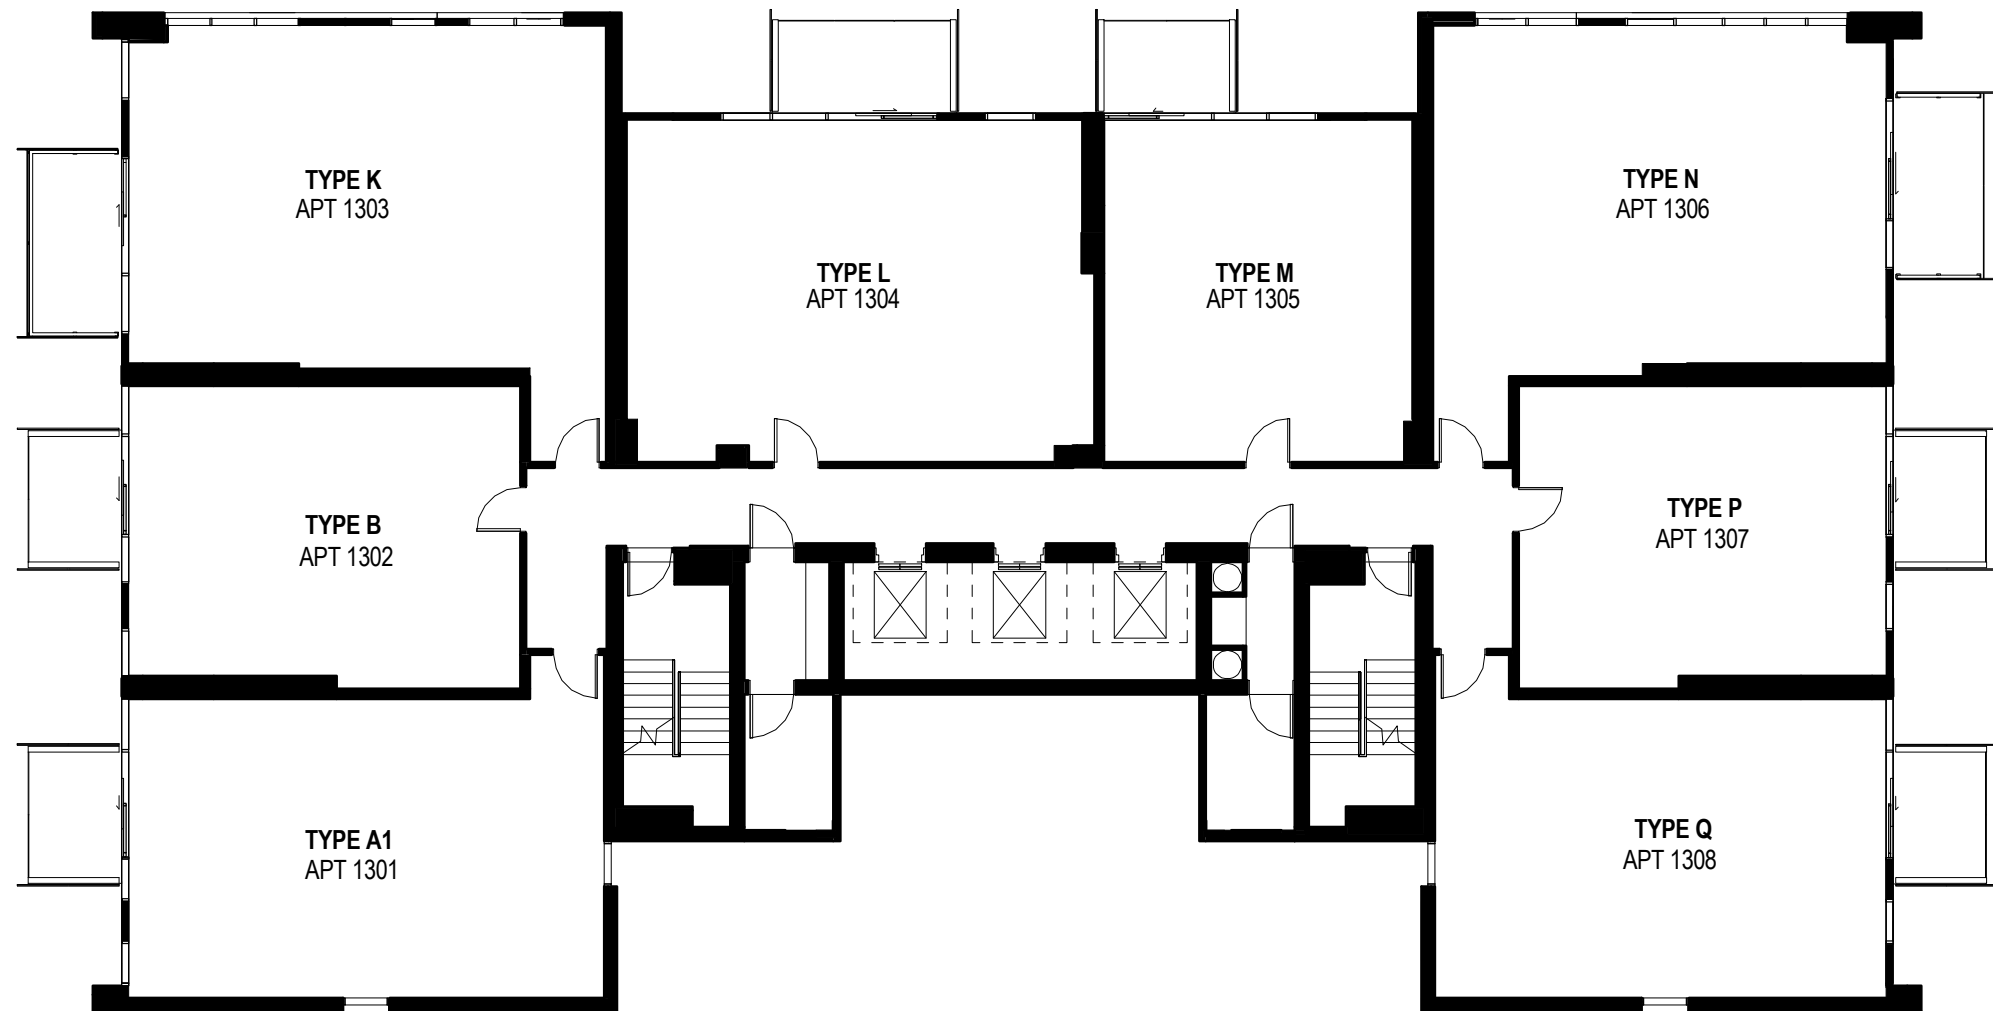

Contract Plan - Level 12

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

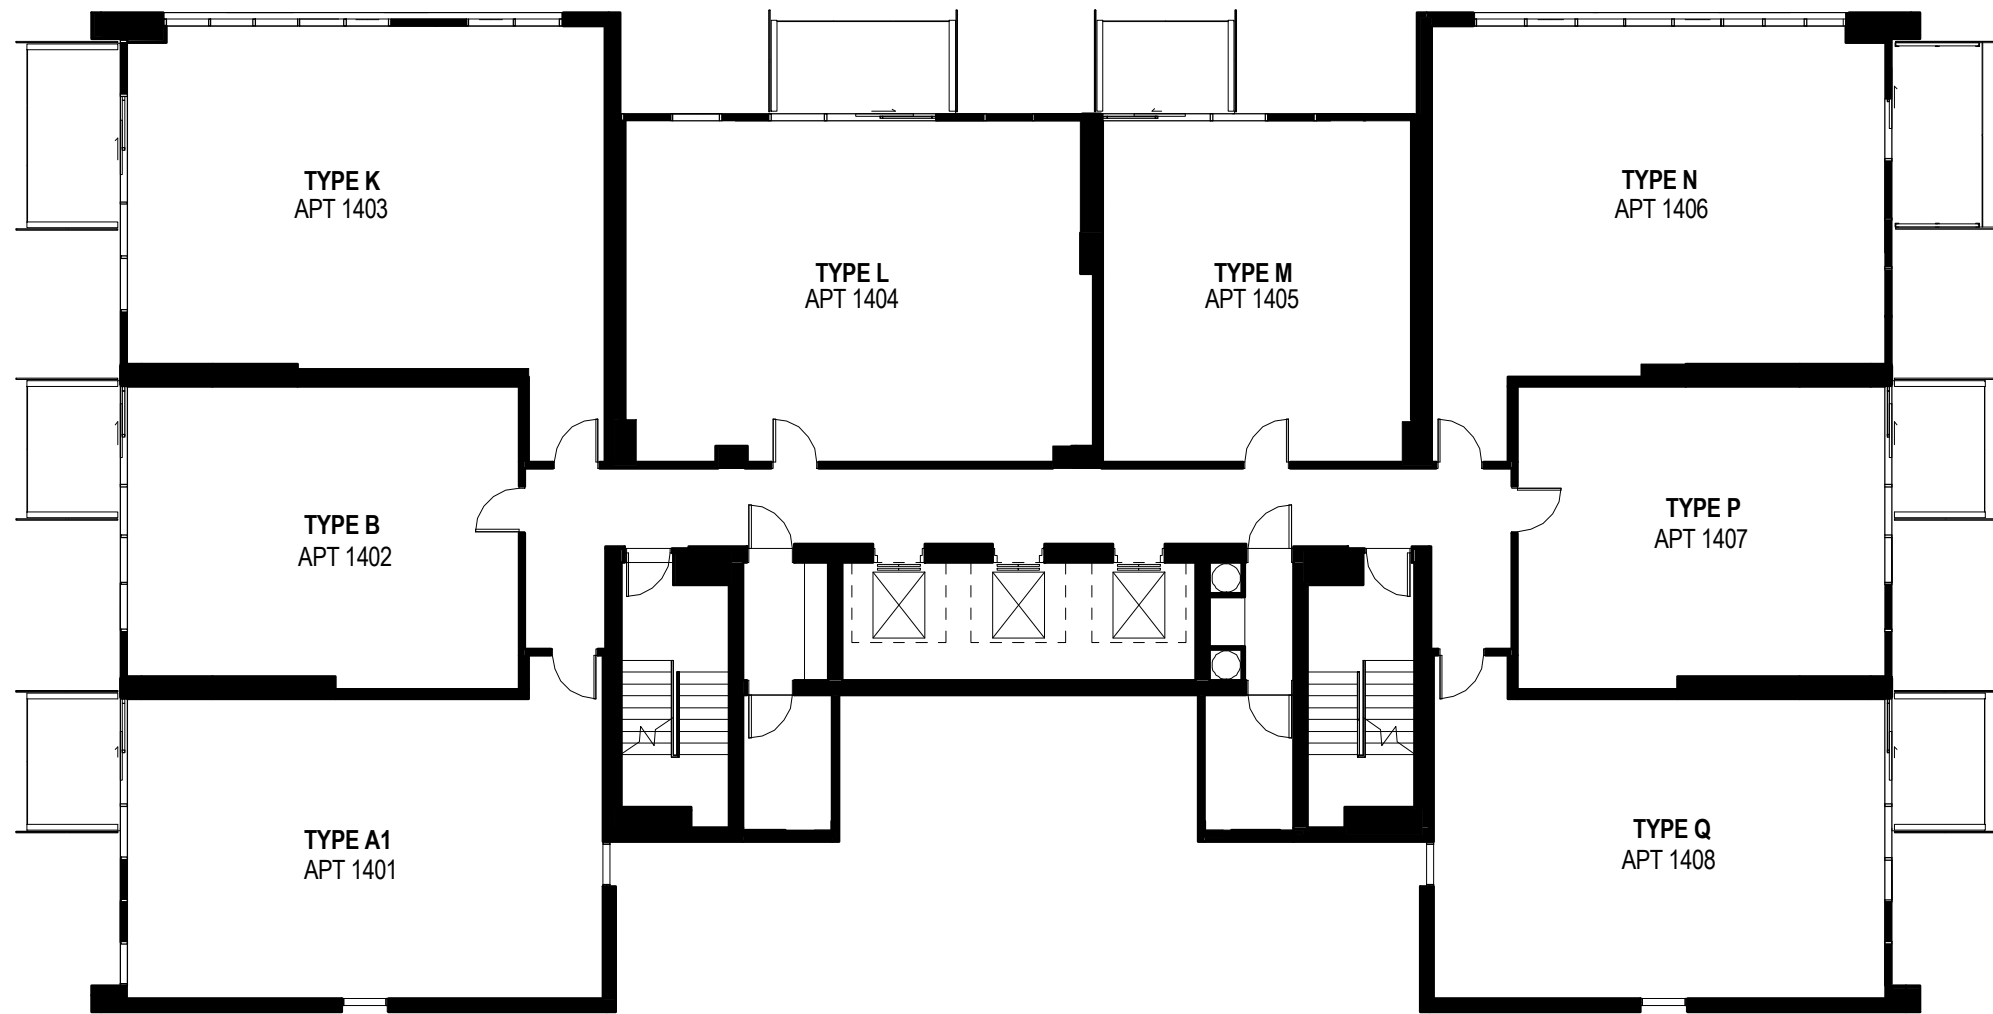

Contract Plan - Level 13

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

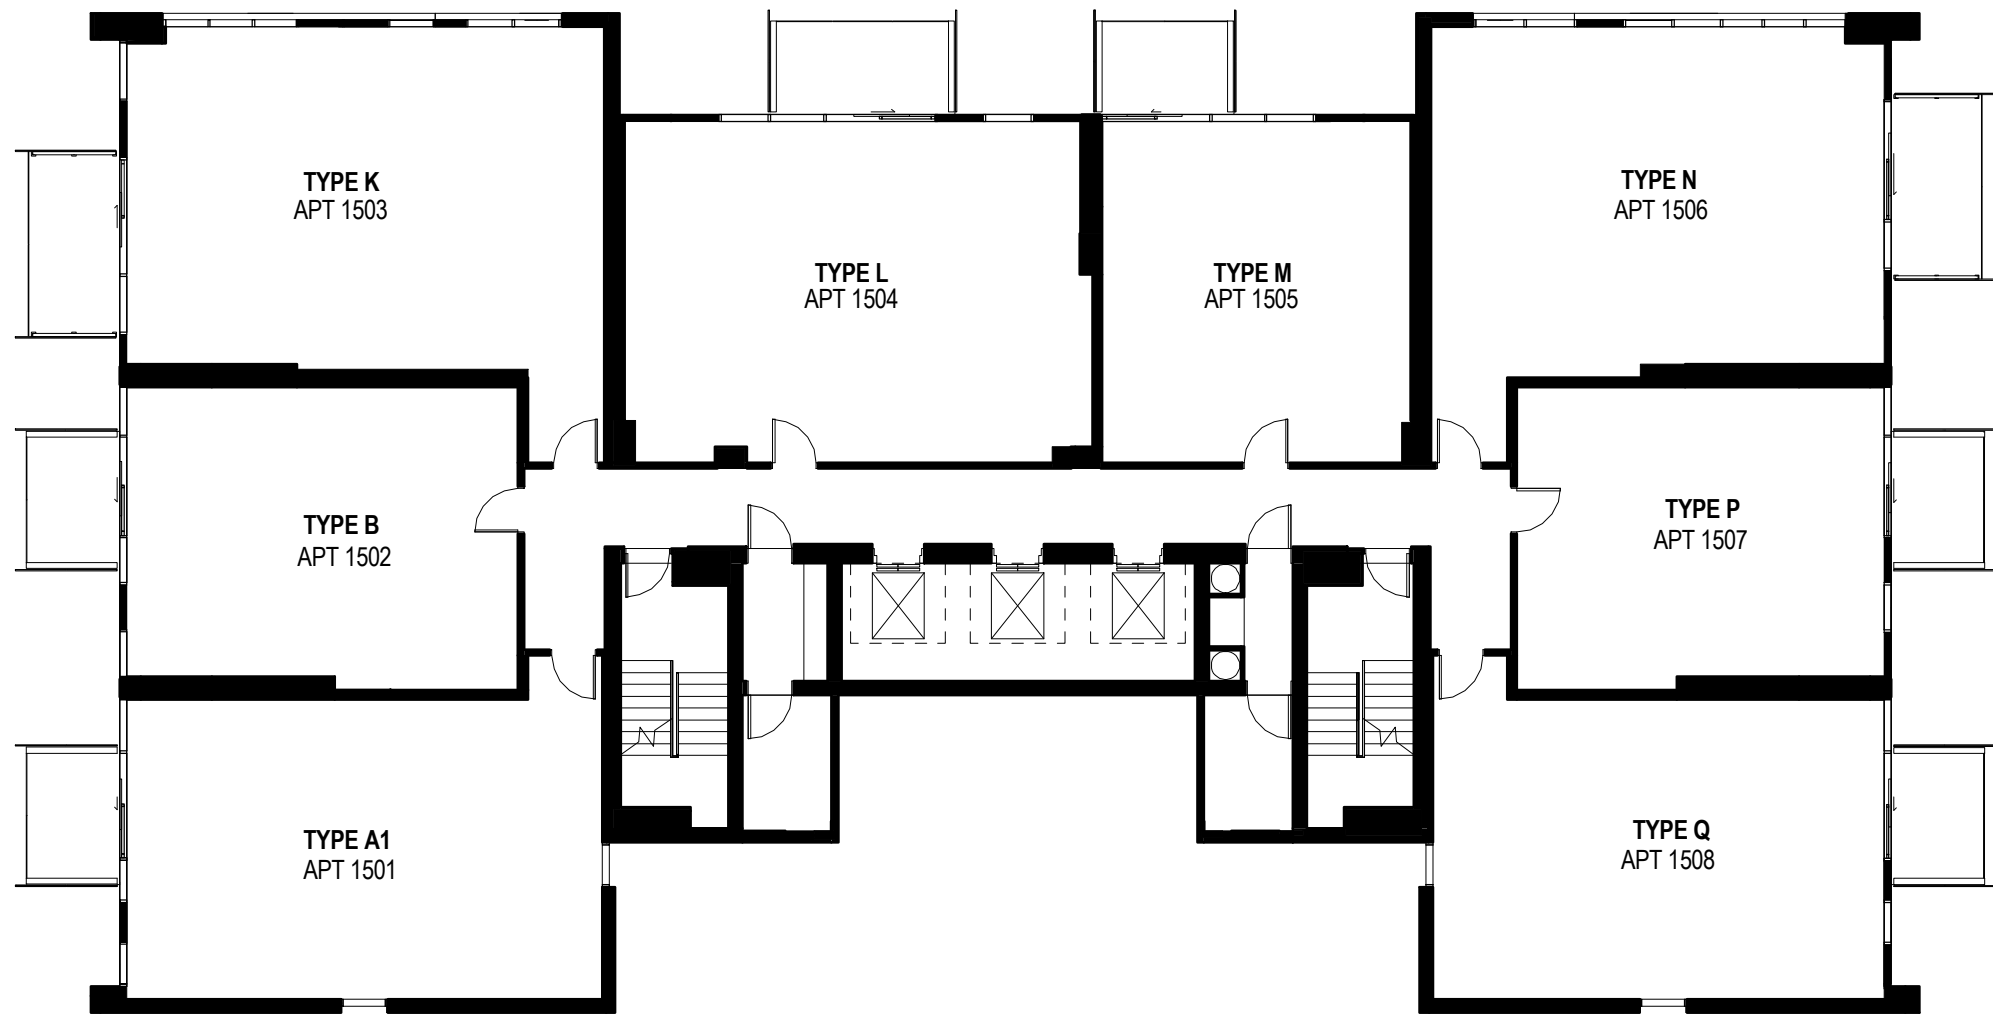

Contract Plan - Level 14

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

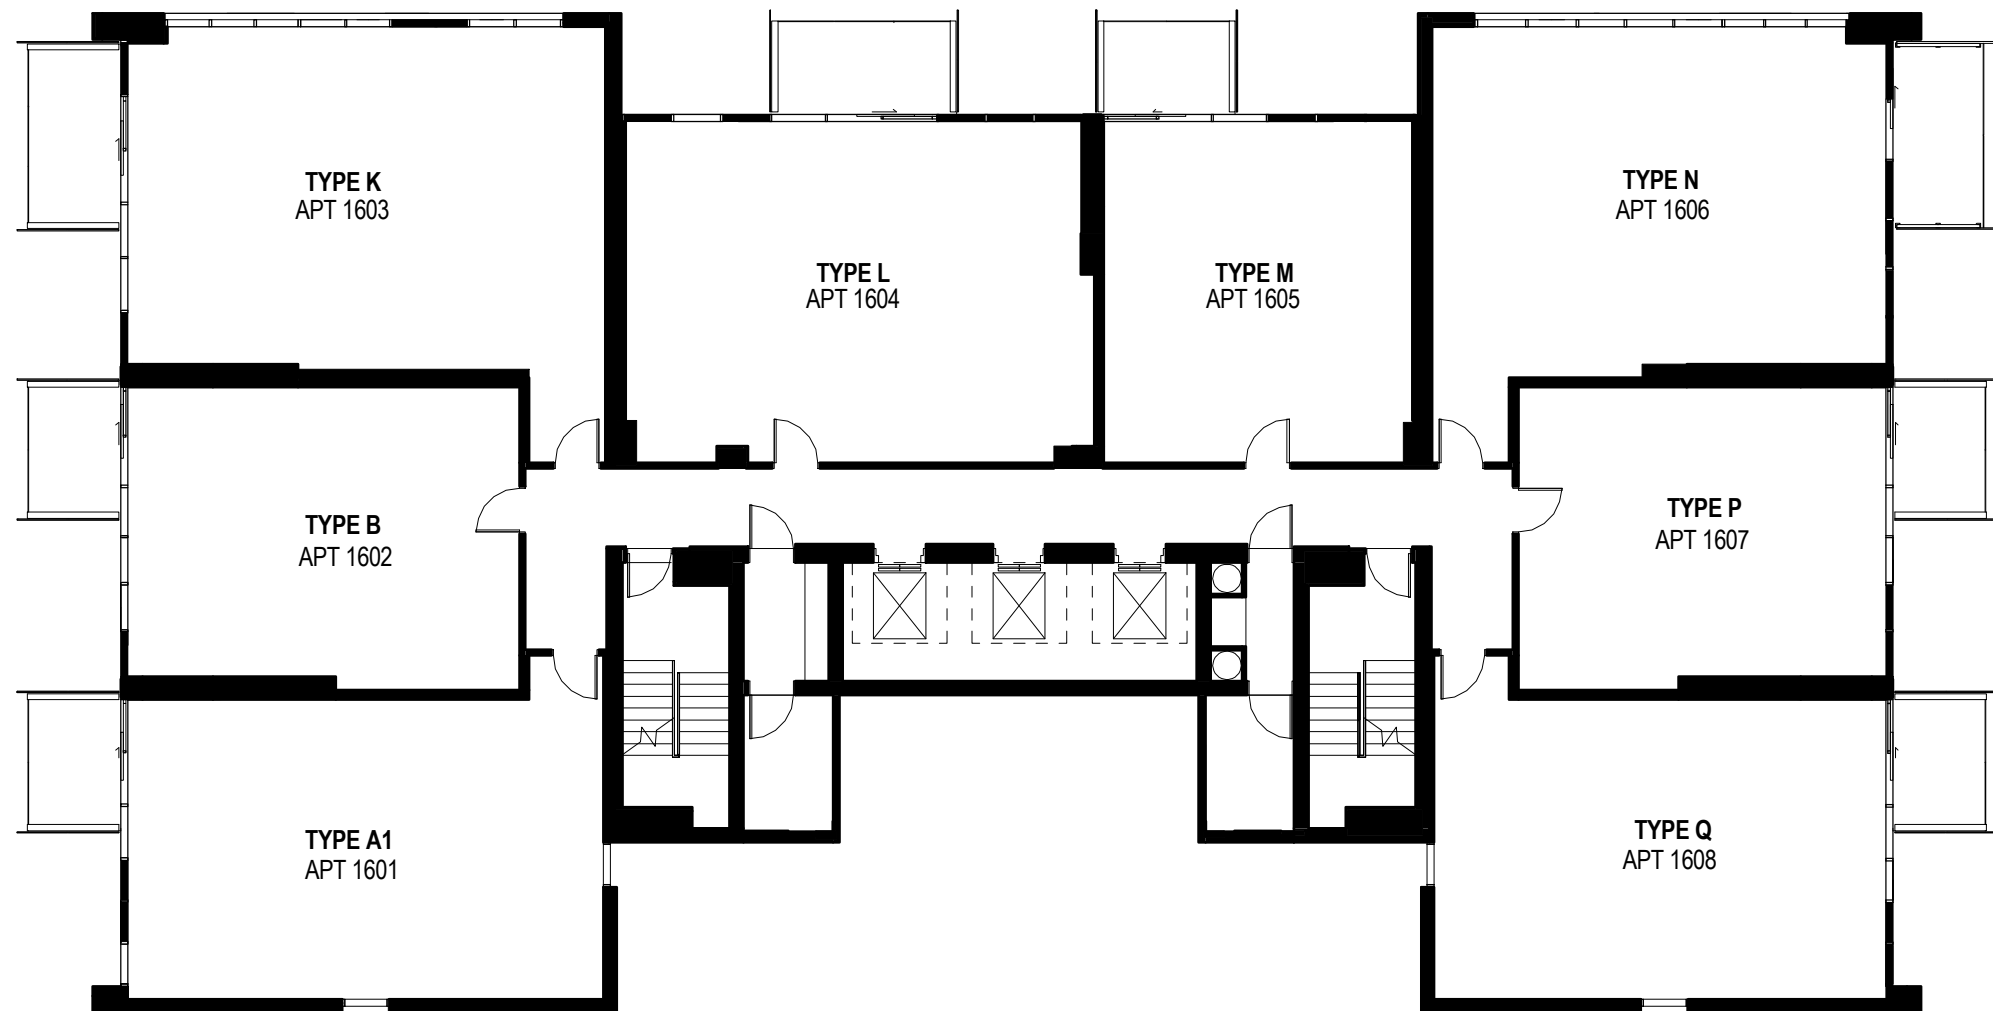

Contract Plan - Level 15

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

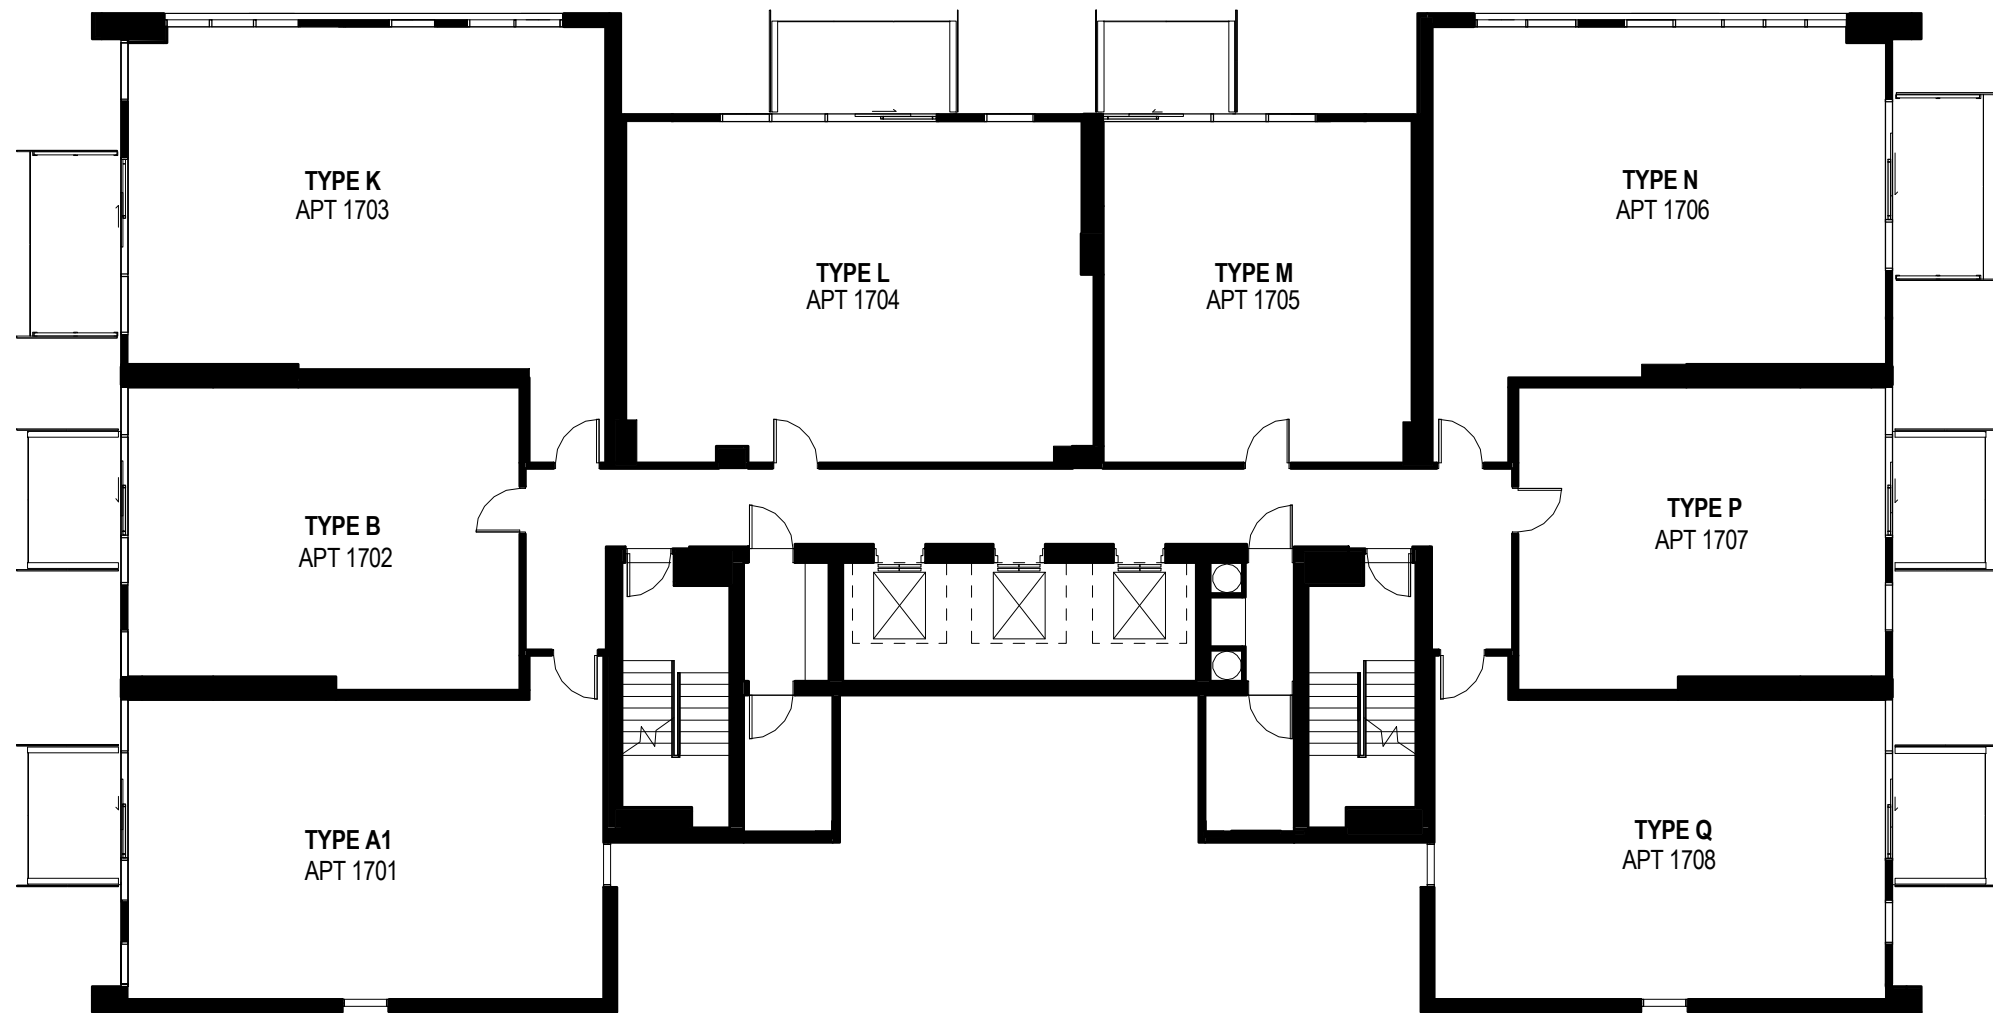

Contract Plan - Level 16

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

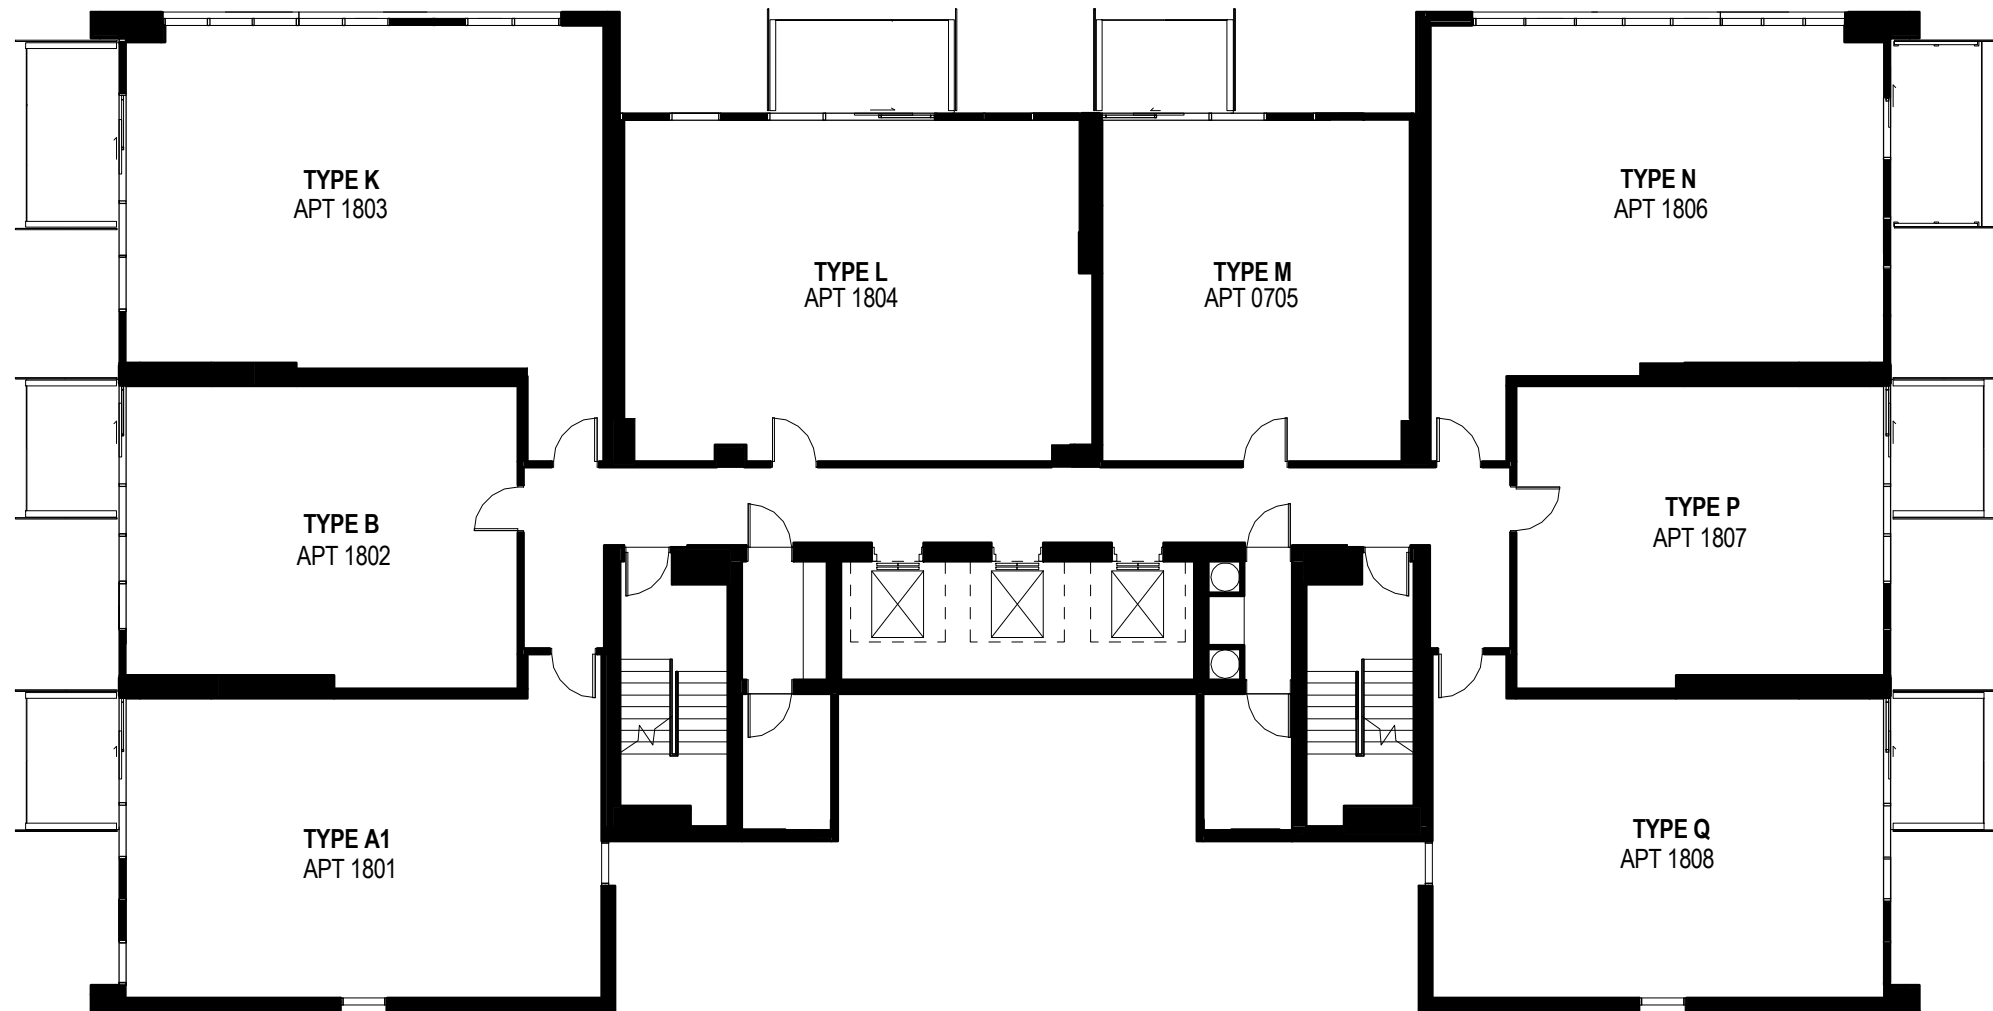

Contract Plan - Level 17

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

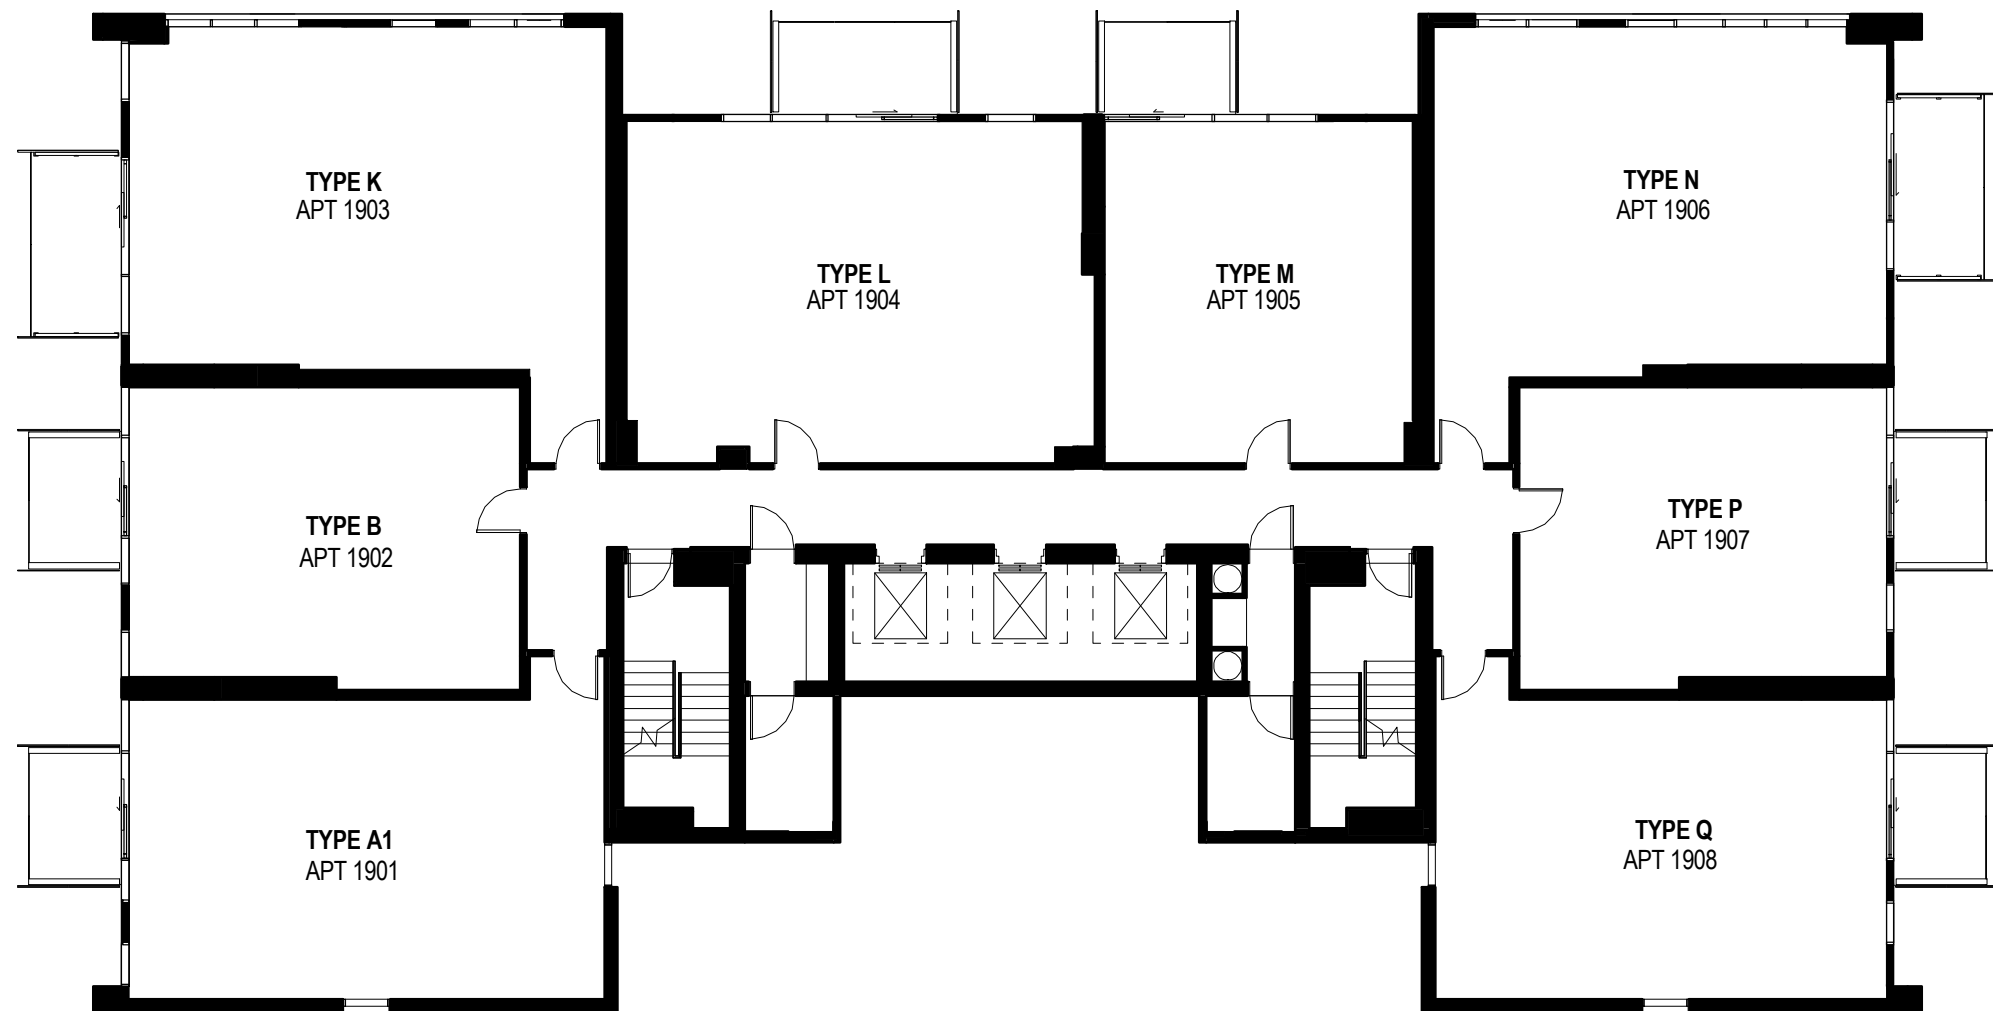

Contract Plan - Level 18

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

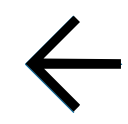

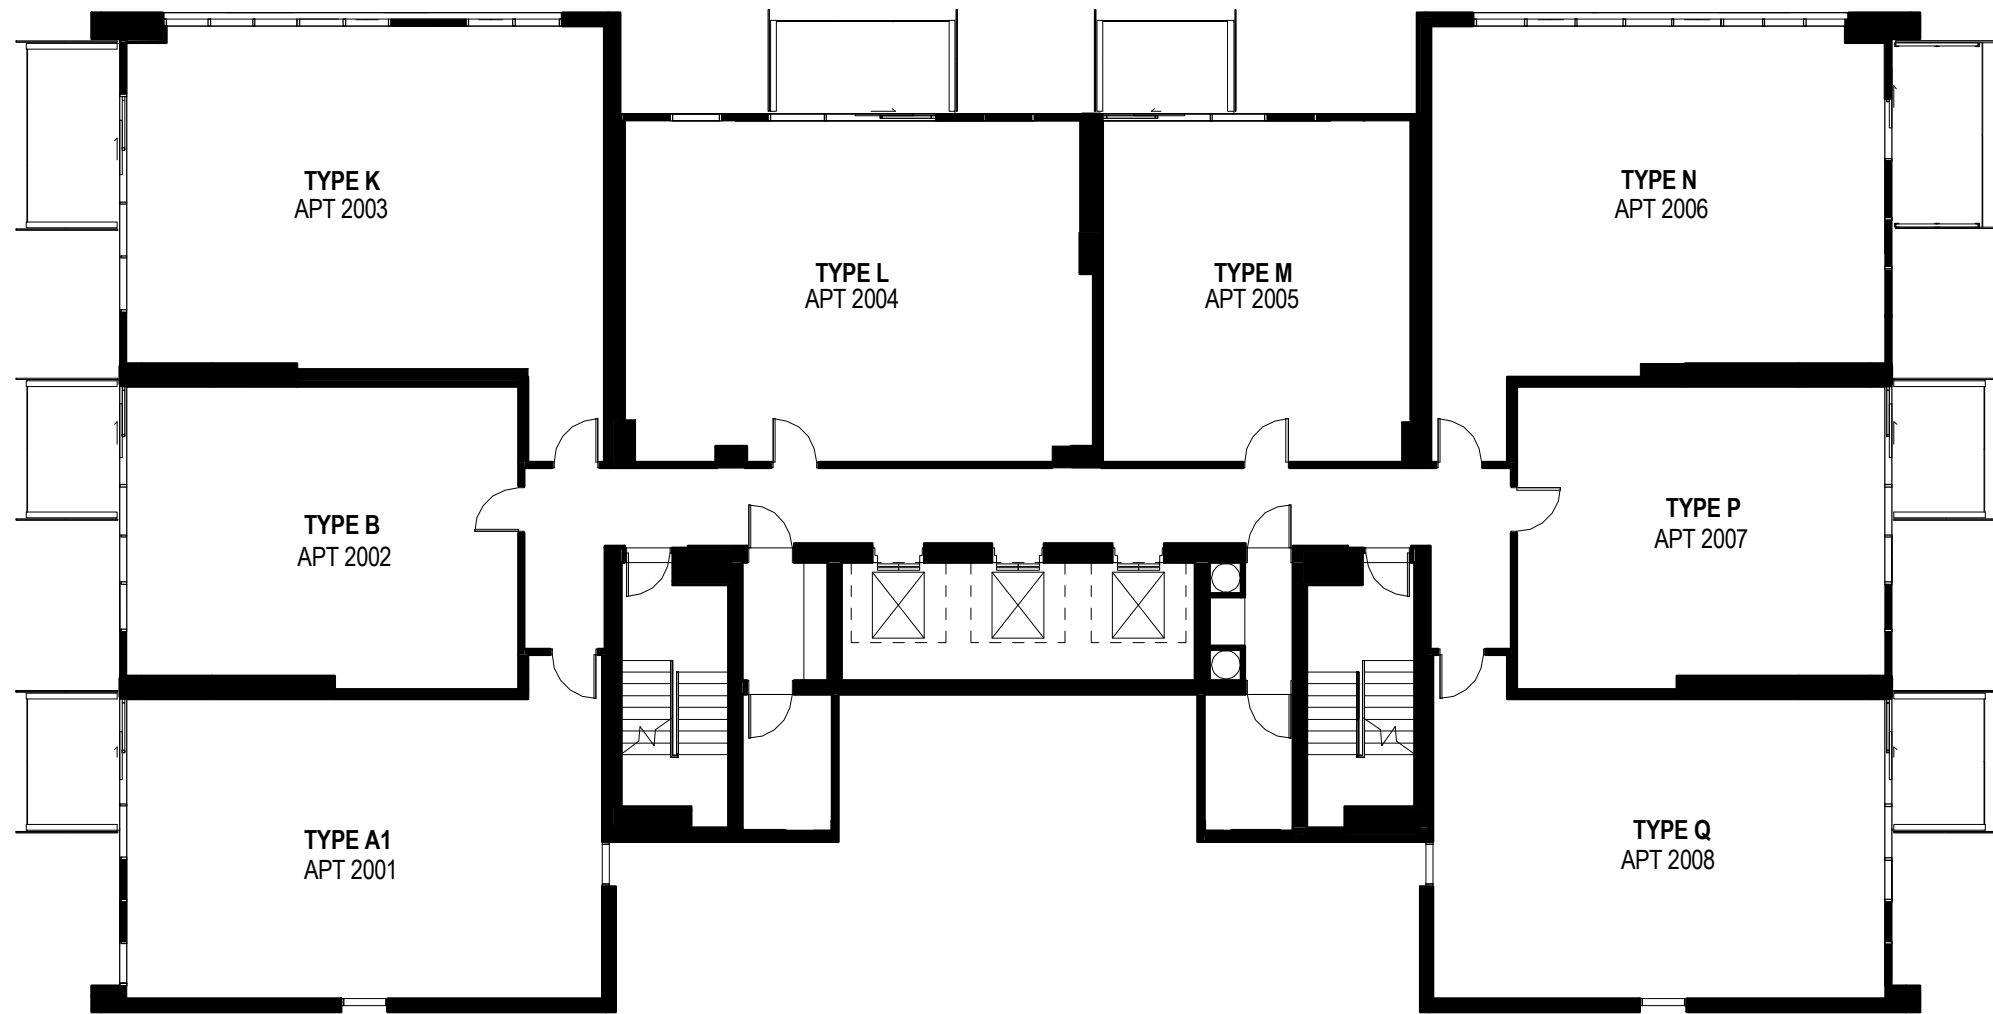

Contract Plan - Level 19

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

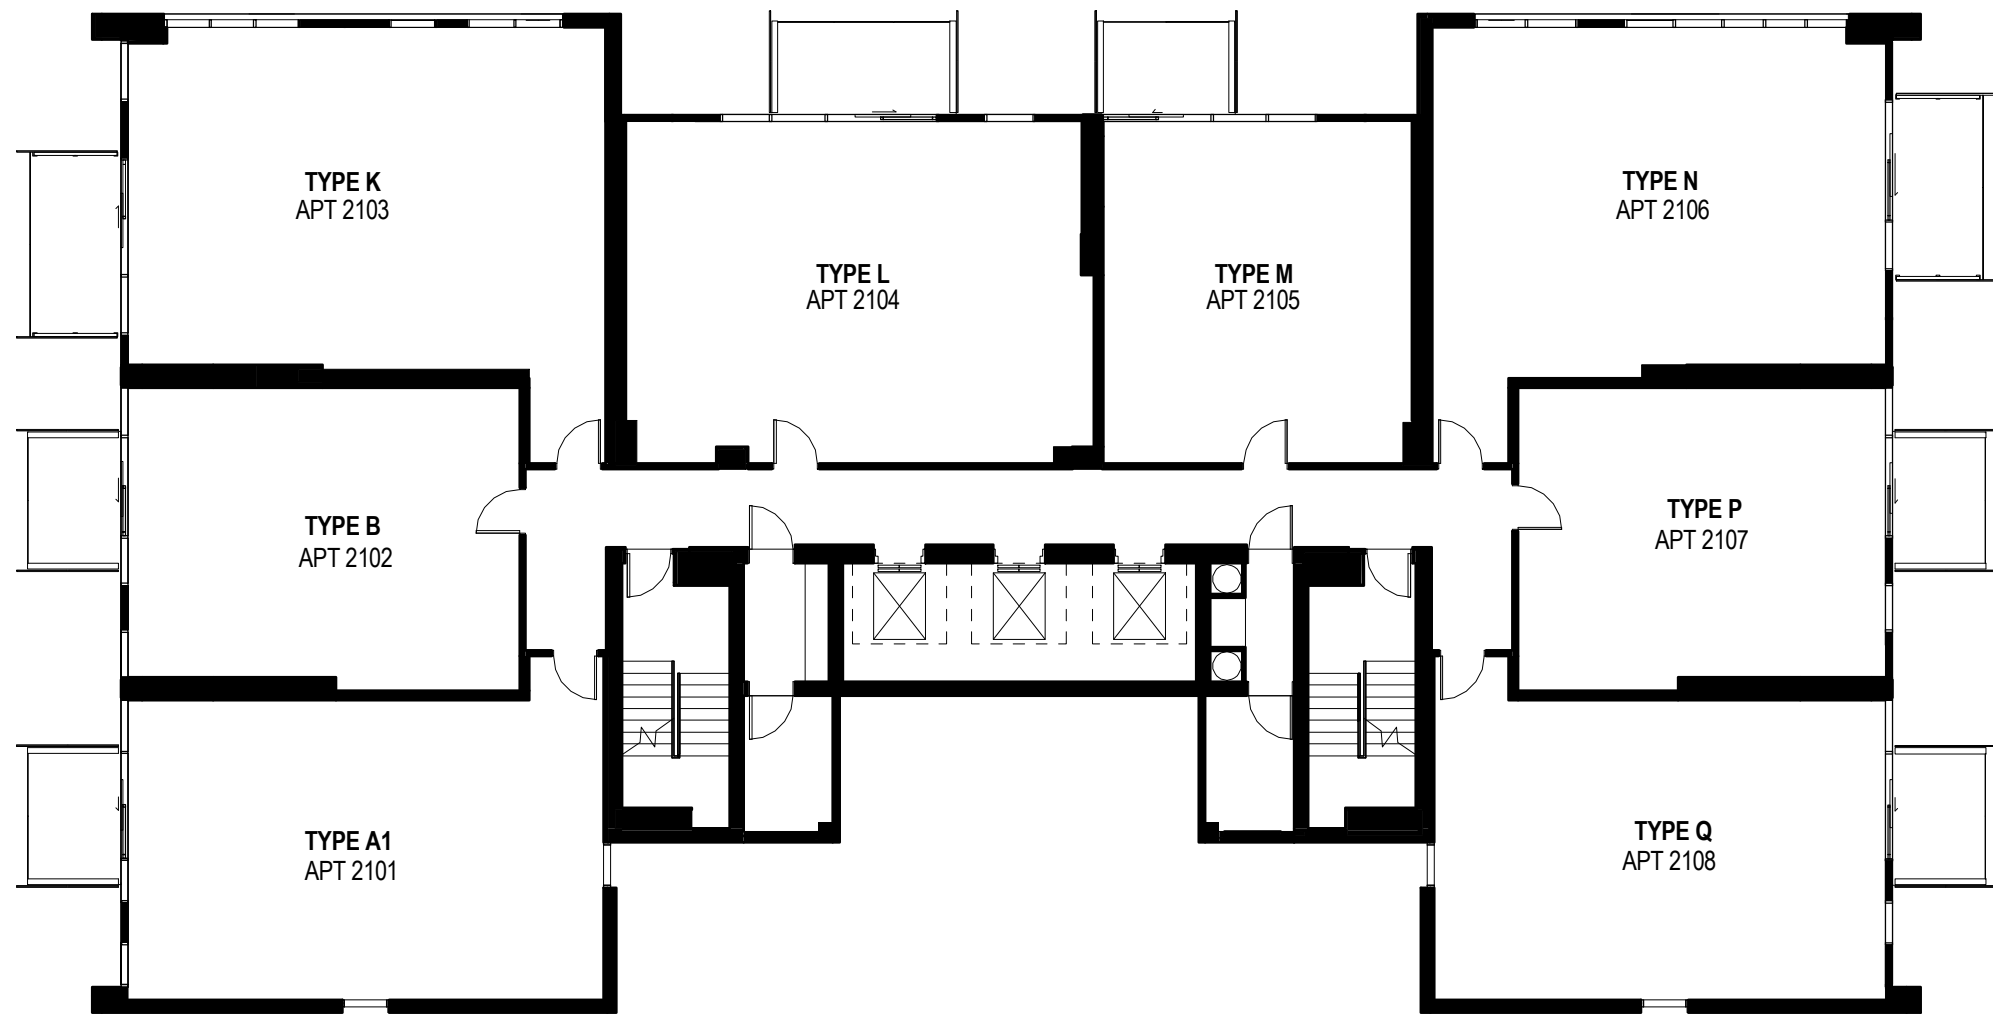

Contract Plan - Level 20

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

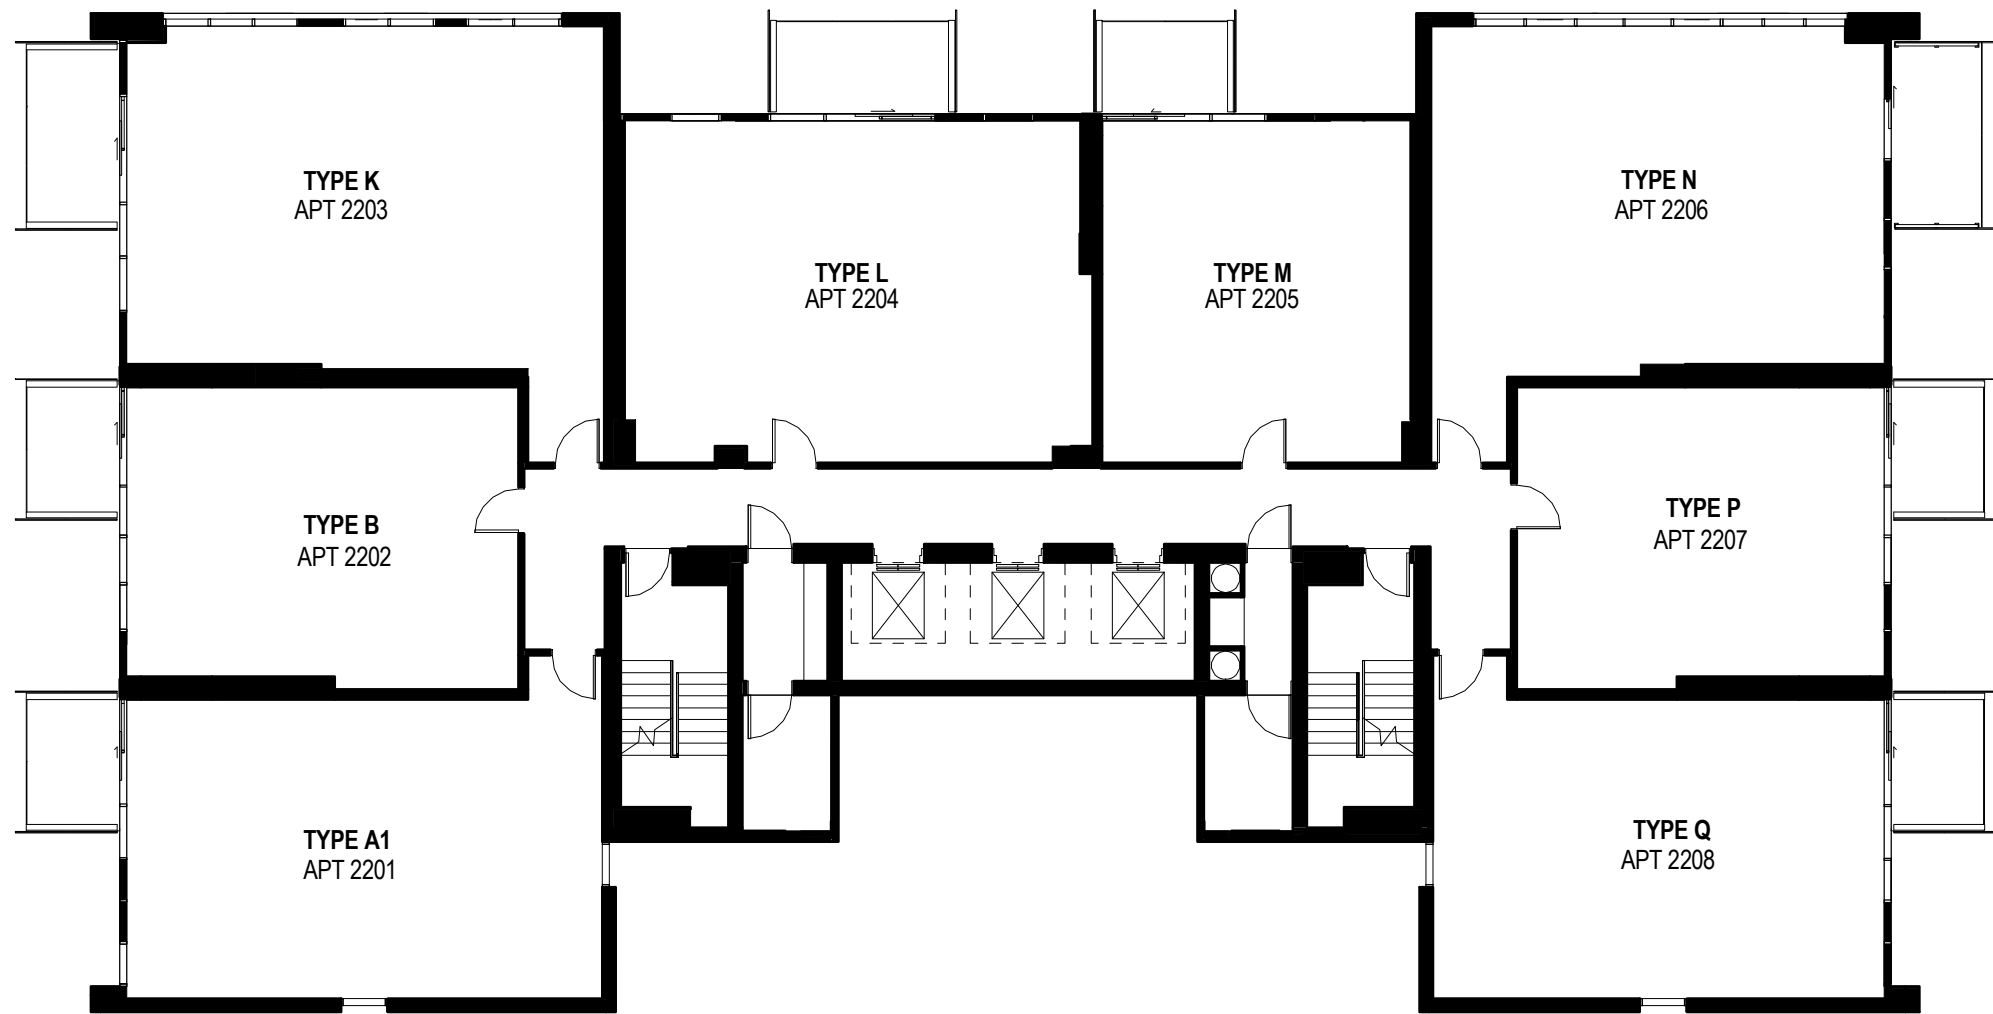

Contract Plan - Level 21

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

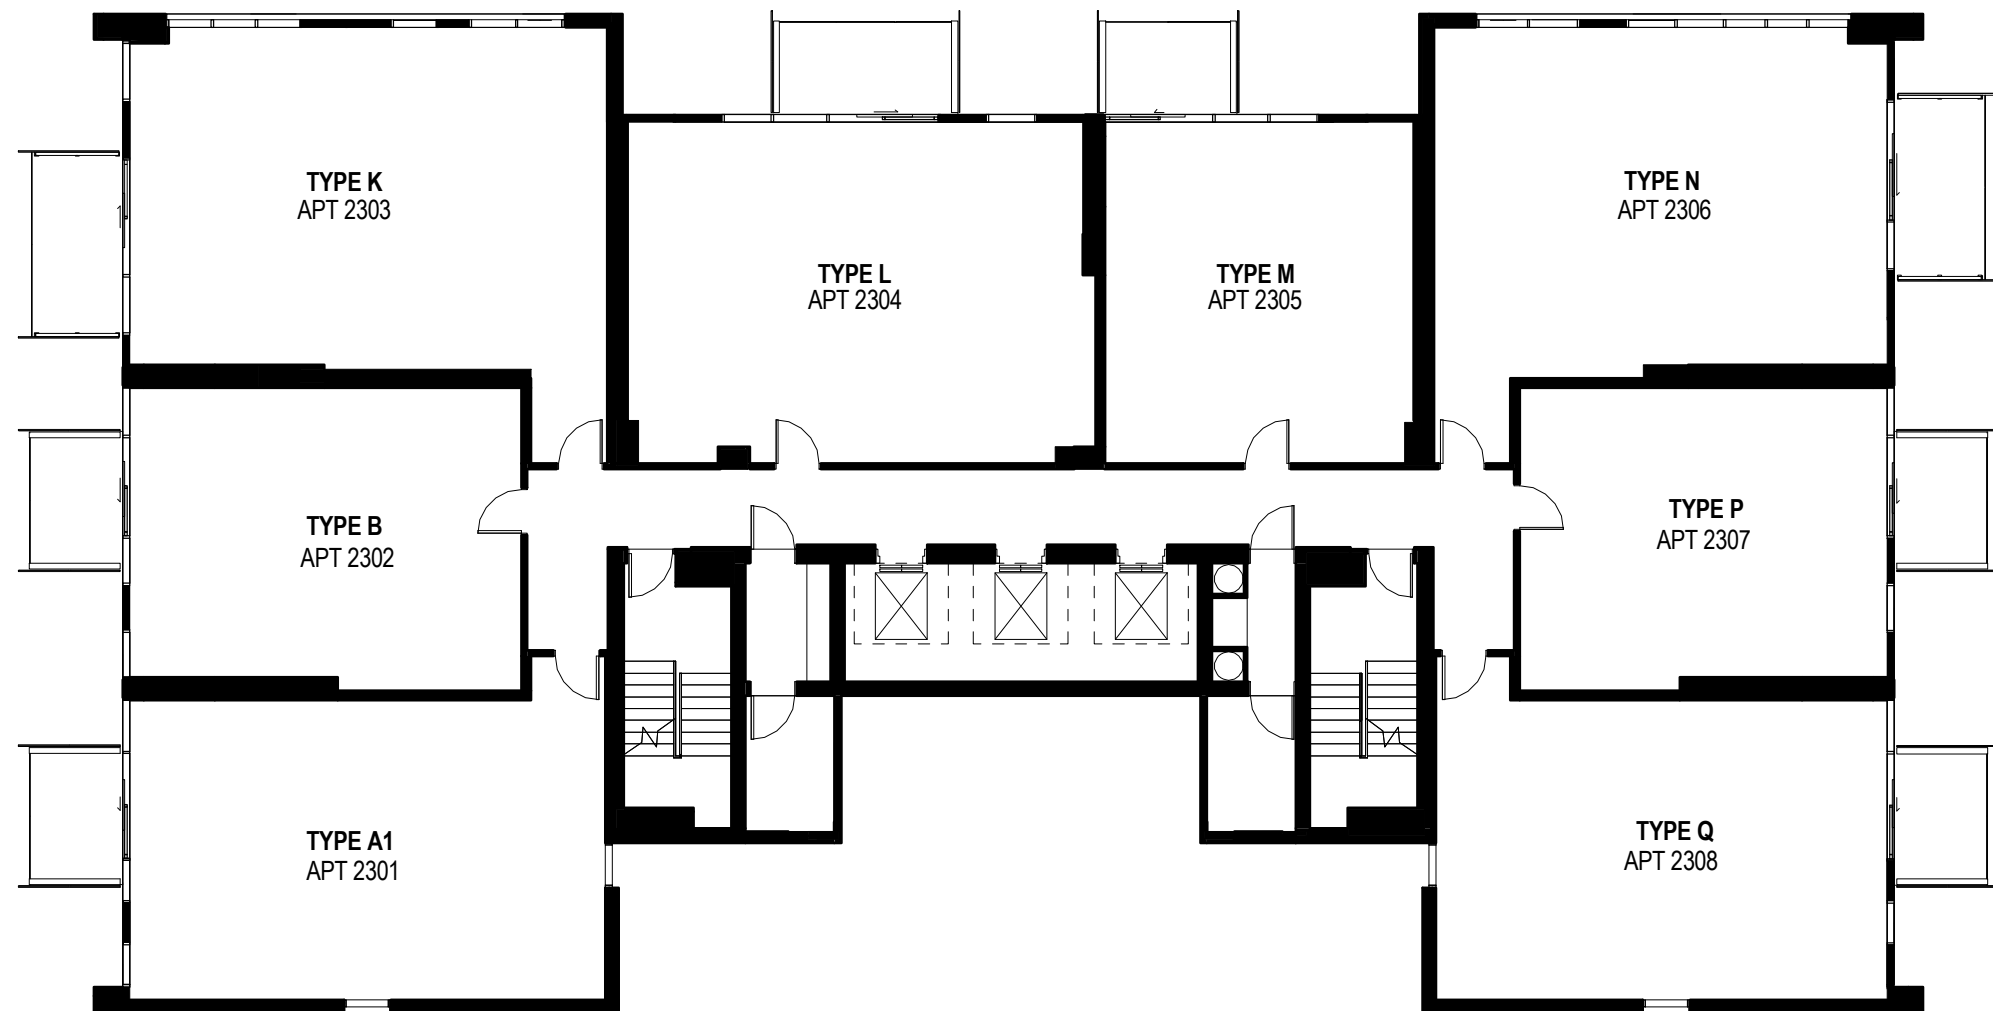

Contract Plan - Level 22

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

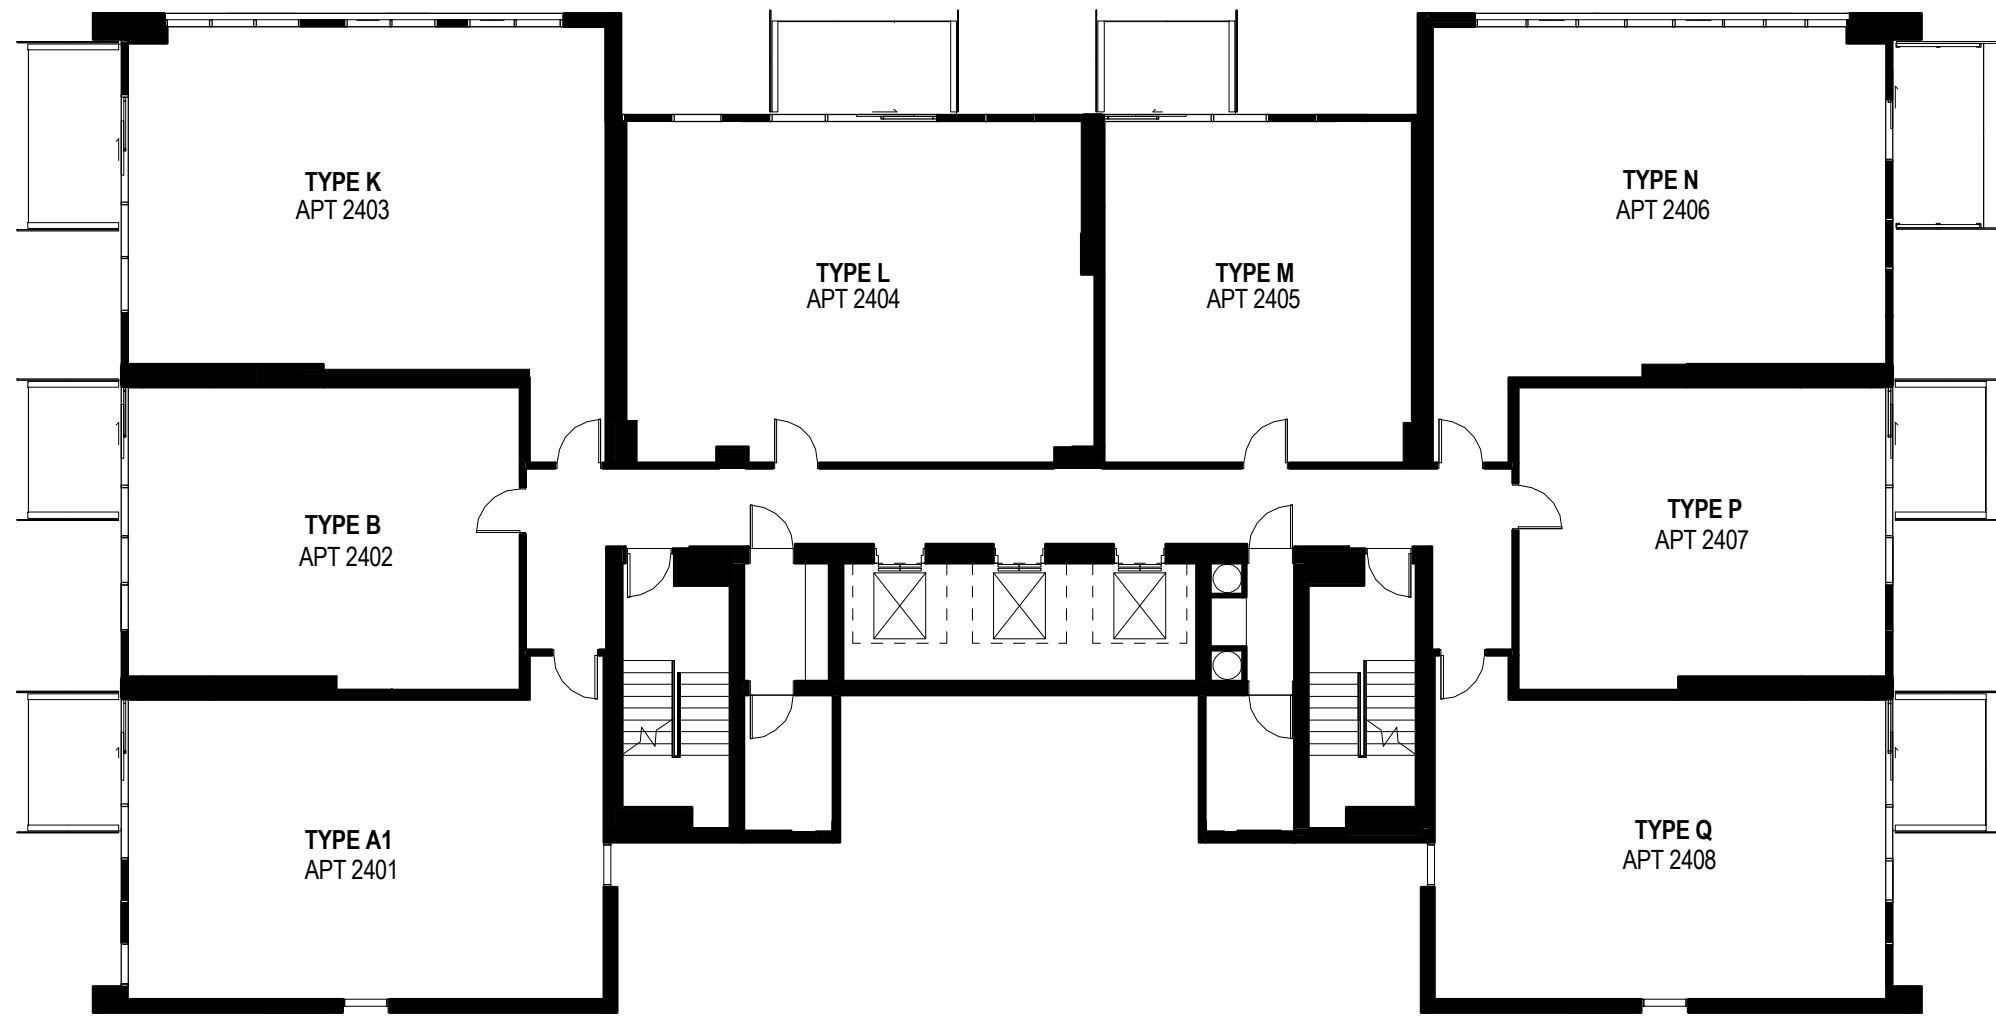

Contract Plan - Level 23

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

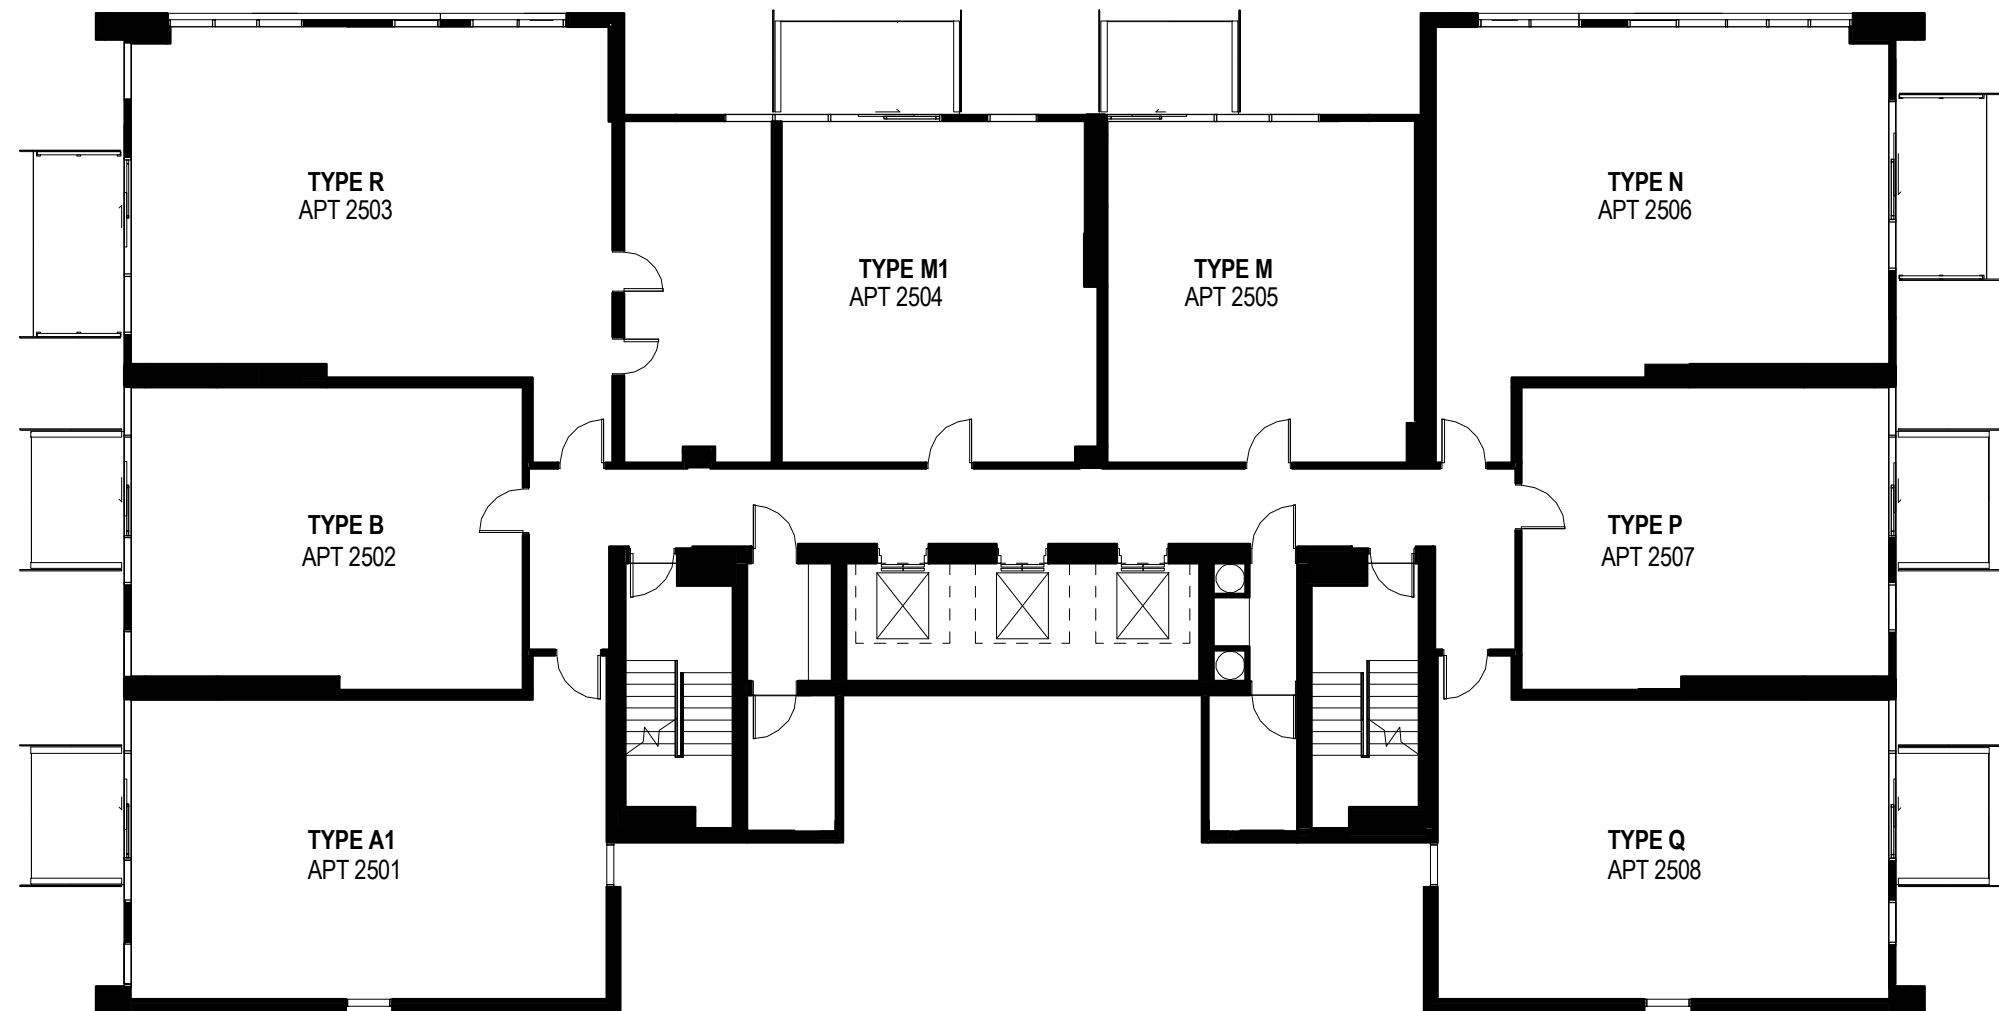

Contract Plan - Level 24

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

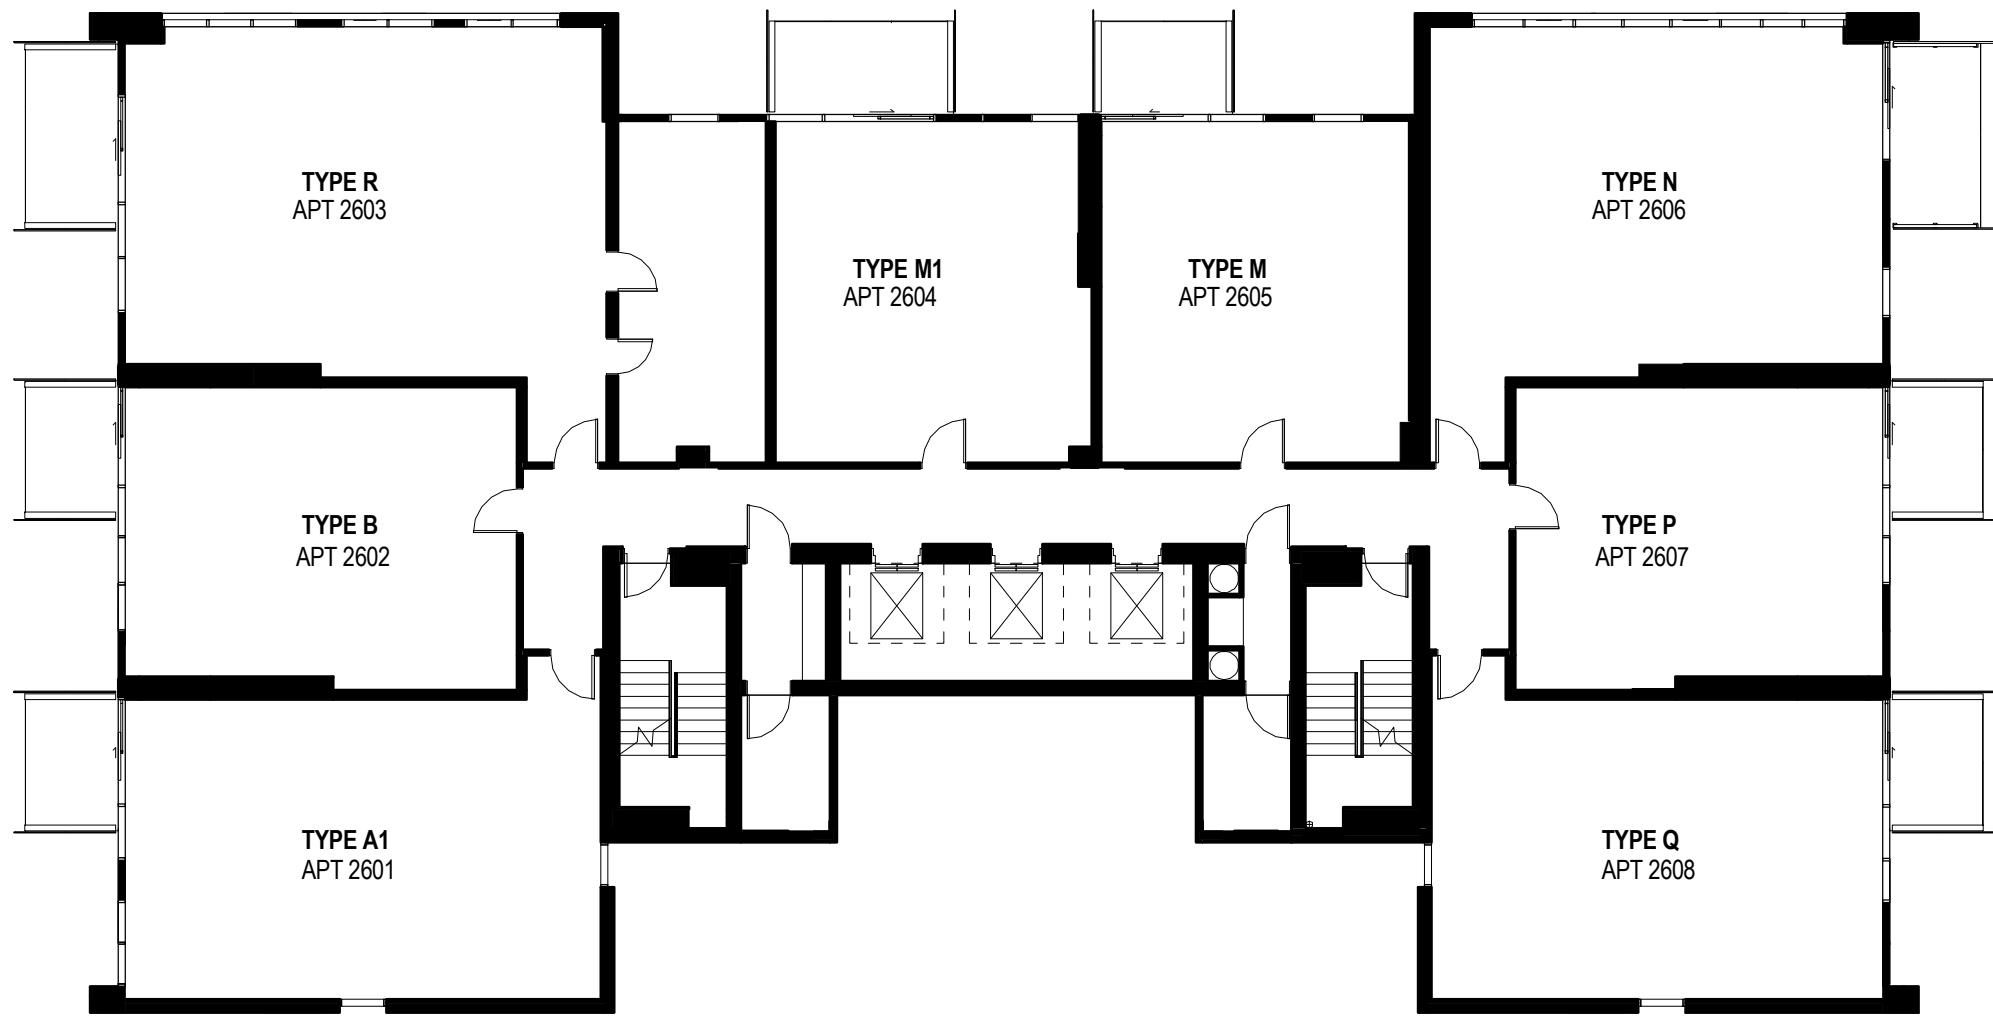

Contract Plan - Level 25

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

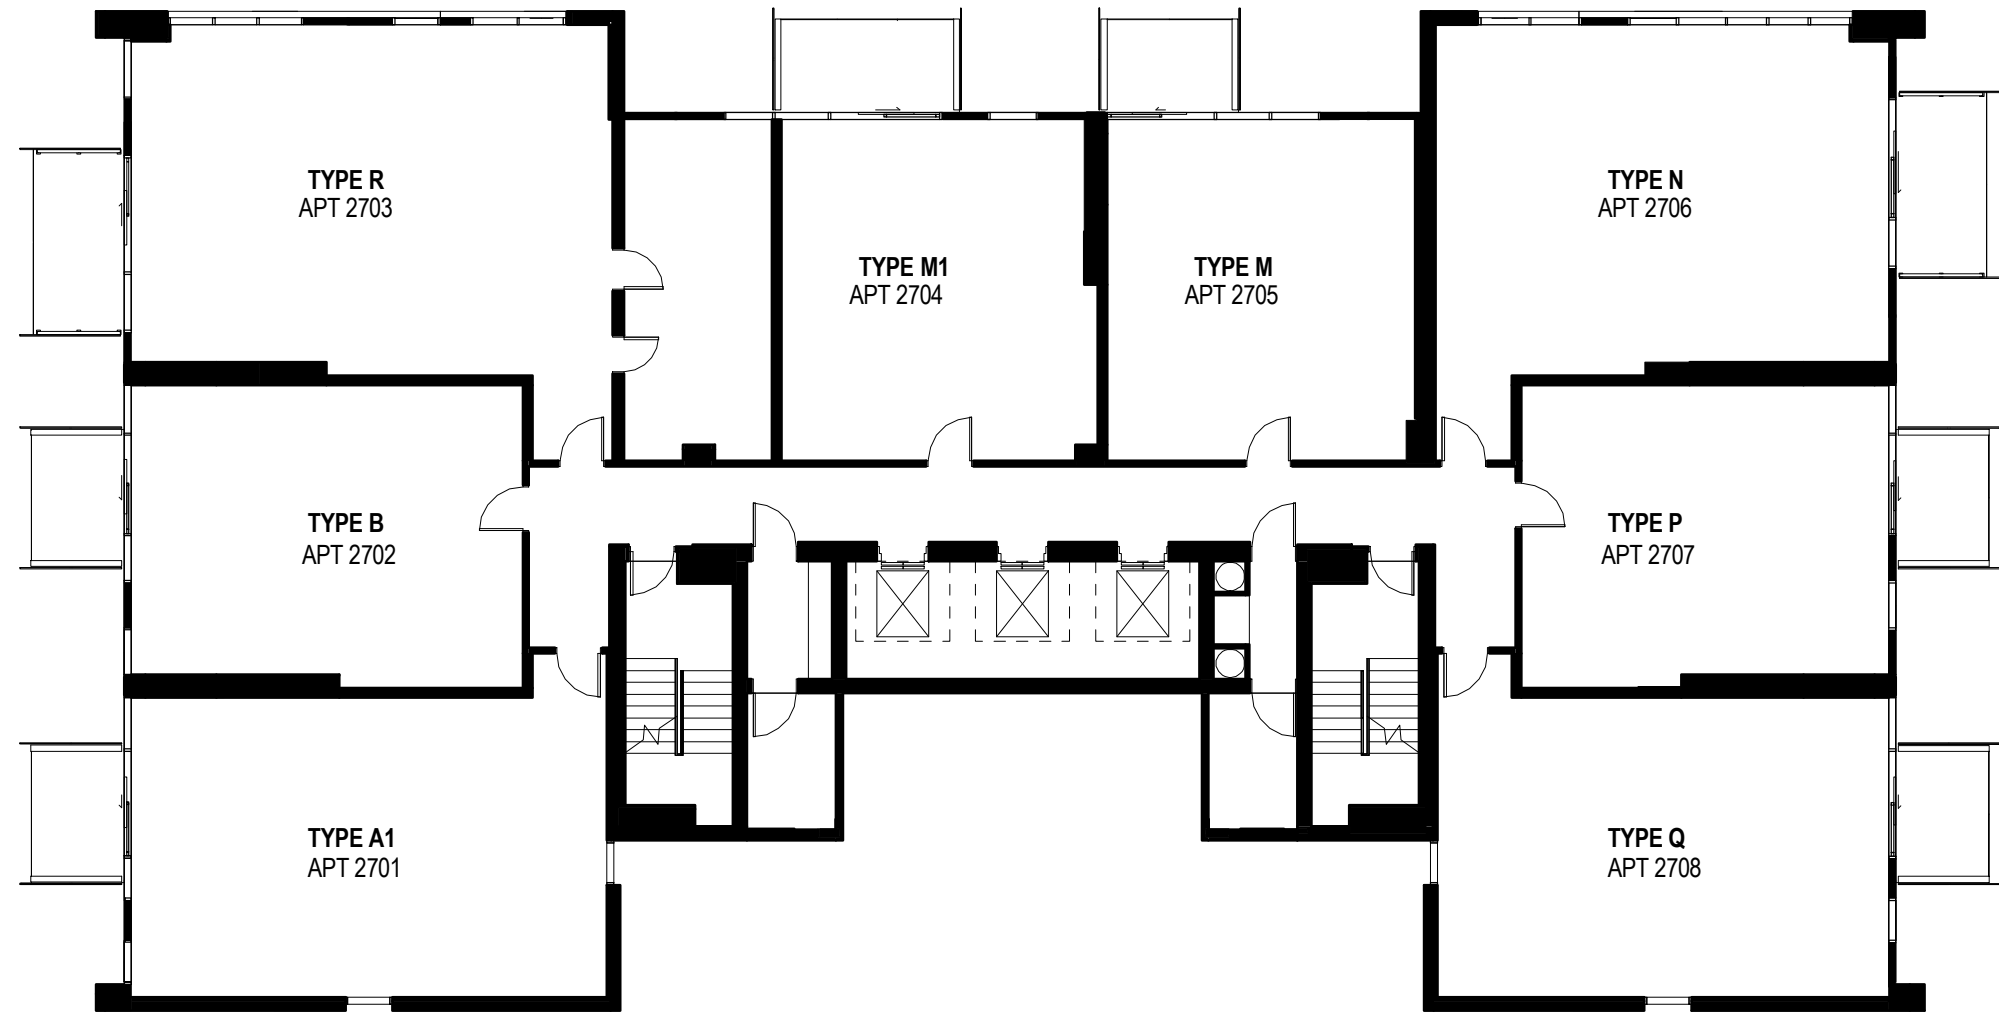

Contract Plan - Level 26

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

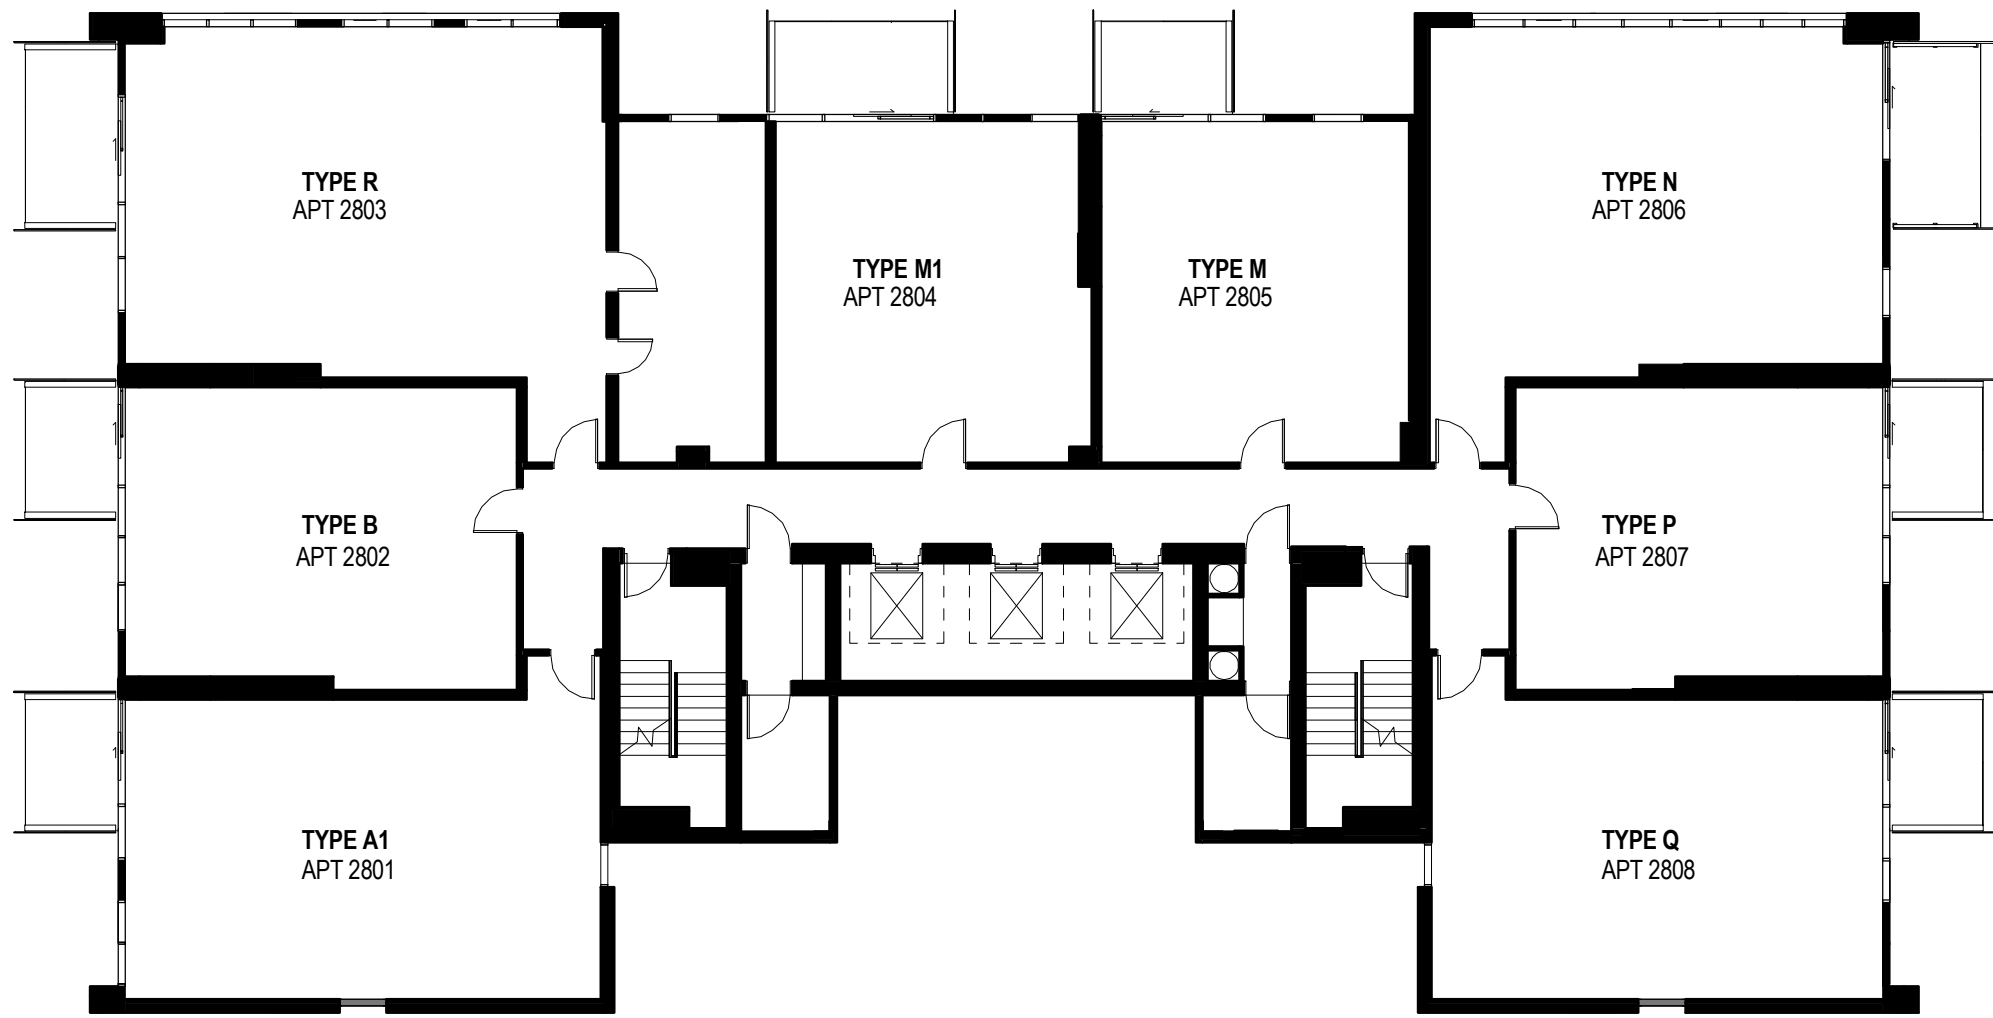

Contract Plan - Level 27

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

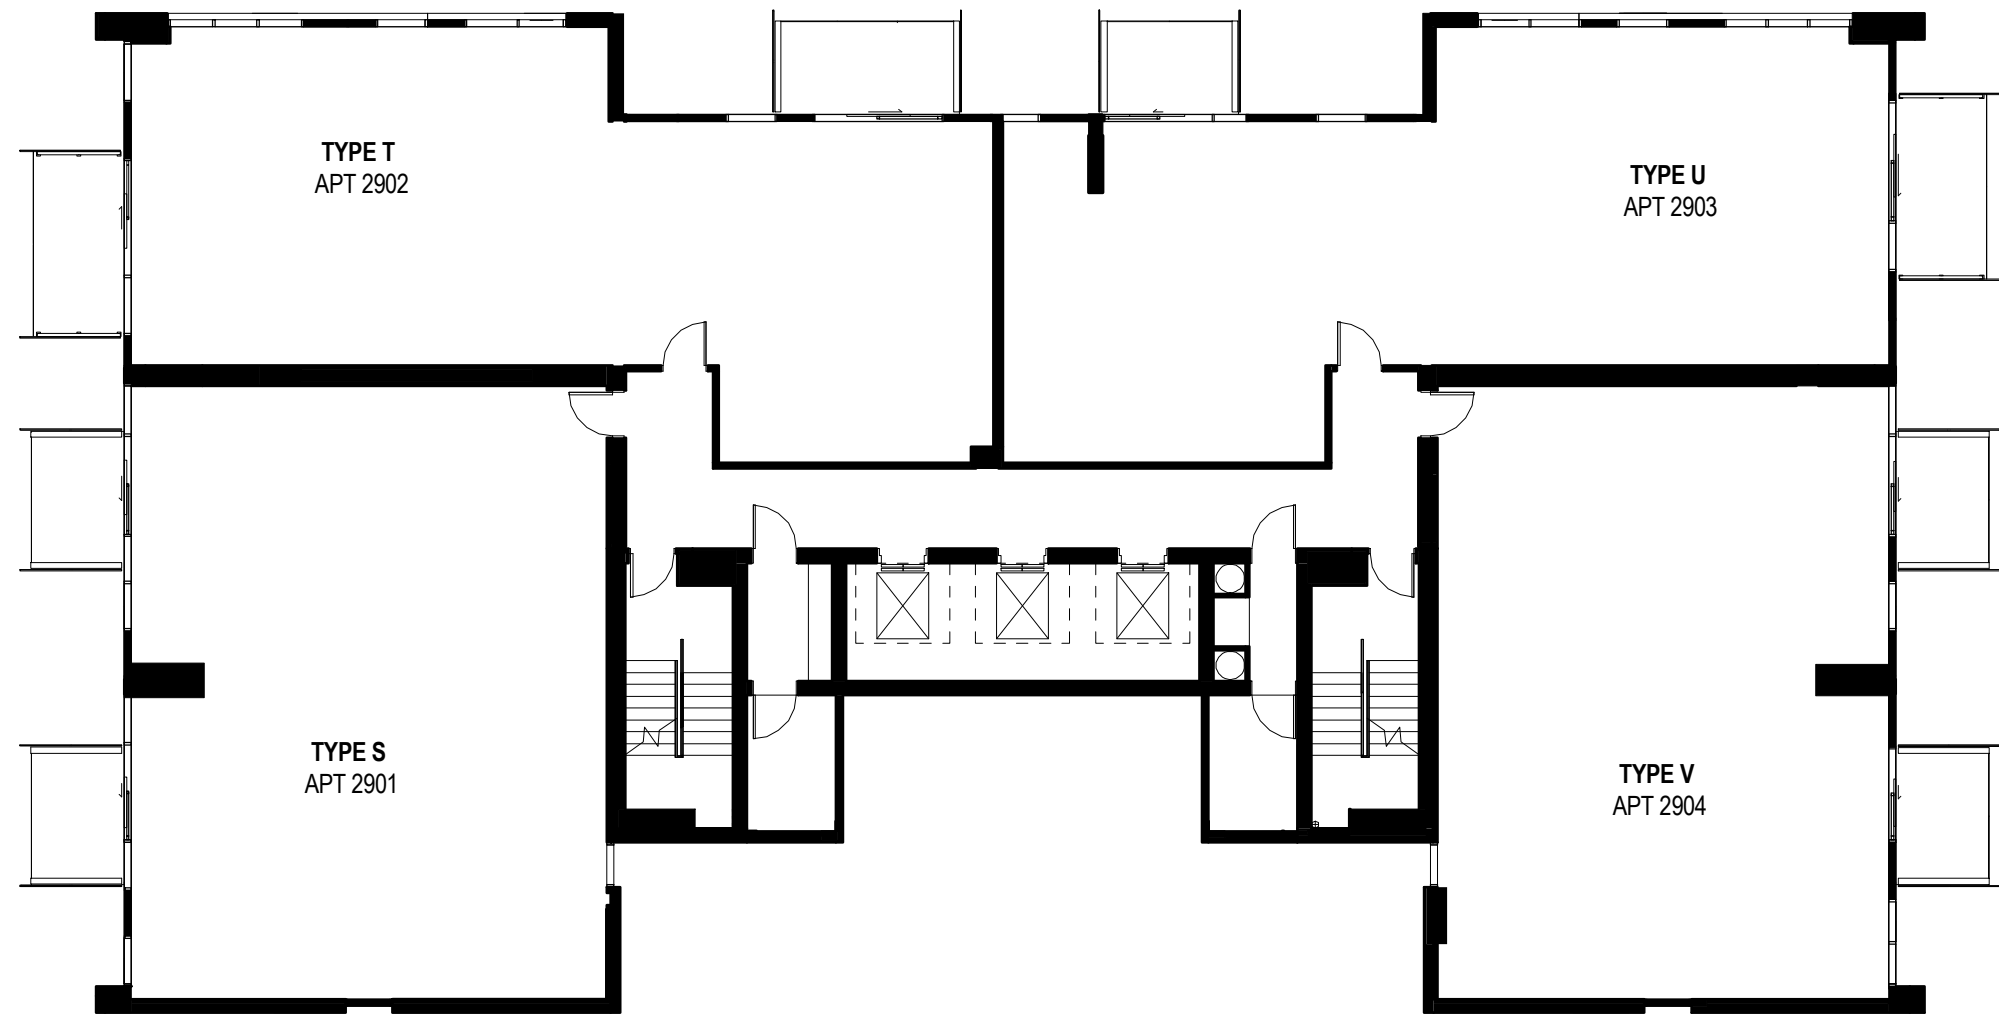

Contract Plan - Level 28

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

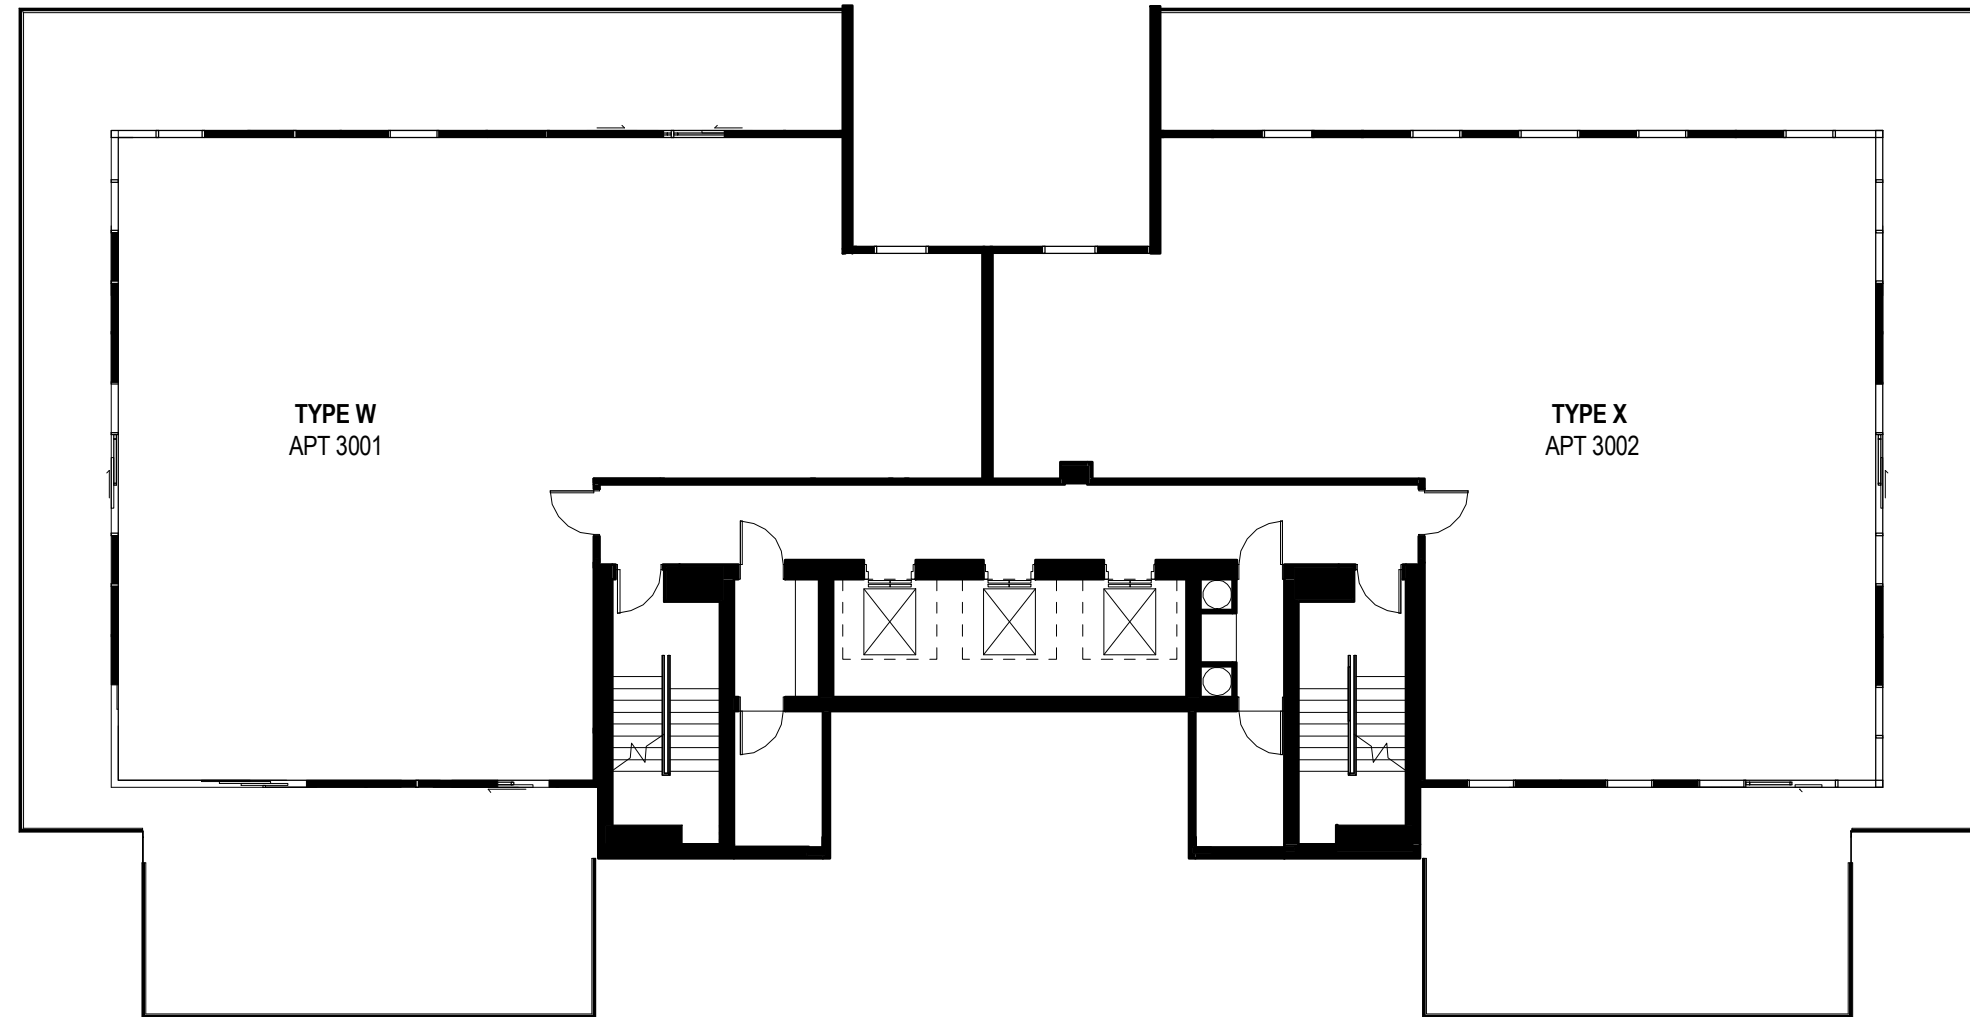

Contract Plan - Level 29

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.

Contract Plan - Level 30

Disclaimer.

The documents provided are indicative only and subject to change without notice. Co-ordination with engineering disciplines and general design development may affect layouts. The user should make their own inquiries as to the accuracy of the information contained. Facade and Balcony locations indicative only. Please refer to overall level floor plans for extent.
